School Description

Our vision statement: "Be Empowered" is clear, focused and sets the tone for building the culture of our school. It is our mission to create a program in which every student feels empowered to develop purpose, values and positive habits that lead to personal and academic success. Phoenix's curricular emphasis is based on the state's common-core standards while focused on the various learning styles and achievement levels of our students. Student Outcomes or (ESLR's) are the motivating force in curricular development and teaching methodology. The Student Outcomes are intended to encourage and challenge students to become the following:

- Responsible citizens
- Effective communicators
- Academic achievers
- Career planners
- Healthy individuals

Students complete assignments, portfolios and projects that measure progress in meeting our Outcome goals. To ensure completion, a senior project based on the ESLER's is required for graduation. The administration and staff have high expectations for our students and strive to give them the opportunity to be successful and return to the comprehensive high school or graduate from Phoenix.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

PHS emphasizes ongoing collaboration with students and their families.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)**Goal:**

To create and facilitate a positive, safe, and caring learning environment in which all students feel safe, experience success, and build self-esteem.

Objectives:

To provide and facilitate an engaging learning environment that is free of distractions, with the discipline policy applied fairly, consistently, and timely; and allows for personal growth.

Related activities:

- Revised 2020-21 PHS School Handbook delivered to all students
- Consistently enforce the discipline policy and model appropriate classroom behaviors.
- Explain the District's attendance policies, procedures, expectations and consequences with students at first day assembly.
- PHS Period Schedule: students assigned to content area classrooms each period. Offered two different sessions each day so that students could remain socially distanced and in stable cohorts.
- Counselor on campus Monday - Friday.
- School-wide meetings every Friday, to make announcements, celebrate successes, and discuss any campus concerns.
- Celebrate students academic, attendance and citizenship successes

Phoenix High School's comprehensive safety plan was revised and updated in October, 2020. The school safety plan is comprised of district protocols, policies, and procedures for emergencies. Our updated school safety plan is designed based on the Standard Response Protocol (SRP) system, that includes different levels of response including Lockout, Lockdown, Evacuate, and Shelter. Drills for each response are practiced multiple times each year, based on state law and district office directives.

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	15.0	2.4	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
