Head Teacher:
Mr R S Samra B.A., M.A.

Dear Parent/Carer,

Year 7 Technology Materials Contribution

The Design and Technology Department at Southam College would like all students to be able to take home the products they make in practical lessons. During the year, students will be making products from textiles, resistant materials including electronics and graphic media. Instead of collecting money at the end of the respective modules, we are asking for a contribution of £15 towards the costs of the materials and components used. This request does not apply to students entitled to the Pupil Premium. It is a voluntary one-off contribution and will cover both Year 7 and Year 8 in the areas listed above.

This does not cover the full cost of manufacturing all of the products made, but will help us ensure that all of the students have appropriate materials and components for stimulating projects that they can take home and enjoy, and use up to date processes in the workshop including CAD/CAM machinery.

Please complete the attached slip and return it to the green box by Student Office **by Friday 22nd October**. Parent Pay is our method of payment. If you have any questions regarding this payment then please do not hesitate to contact me.

Yours sincerely,

Mr K Storer
Head of Design & Technology Department

Southam College Reply Slip - Year 7 Technology Materials Contribution
FAO – Mr K Storer

- I have paid a voluntary contribution of £15 via Parent Pay.
- My child is entitled to Pupil Premium and this will be used to pay this contribution
