Community, Enrollment and Faculty Data

District 125 operates one comprehensive high school, Adlai E. Stevenson, which is accredited by the state. The school serves the communities of Lincolnshire, Long Grove, Prairie View, and portions of Buffalo Grove, Deerfield, Mundelein, Hawthorn Woods, Vernon Hills, Lake Forest, Indian Creek, Wheeling, Lake Zurich, Riverwoods, Kildeer, Palatine and Mettawa.

Total enrollment for 2021-22 is 4,288 with:

of Seniors: 1,109
of Juniors: 1,091
of Sophomores: 1,030
of Freshman: 1,058

The faculty consists of 332 certified staff, 91% with at least a Master's degree. There are 18 full-time counselors and two full-time post secondary counselors.

Stevenson High School is one of only six high schools in the country to receive the United States Department of Education's "Excellence in Education" Blue Ribbon Award five times. In addition, Stevenson has been named one of America's top high schools by multiple organizations, and has been named a school of distinction in arts education by the John F. Kennedy Center for the Performing Arts.

COVID-19 Response

Stevenson High School completed the 2020-21 school year with students learning in a hybrid format, in-person and remote. All students were remote for the first semester and the hybrid format began on Jan 1, 2021. The hybrid format continued through the end of the school year, with the students able to choose their preferred format each day.

Stevenson High School followed the grading recommendations of the Illinois State Board of Education. We continued to use our evidence-based grading practices and our teachers used synchronous instructional methods. No adjustments were made to our school calendar.

In 2019-20, our evidence-based grading system was used however no student could fail (receive an F) and grades earned as of March 31 could only improve. This was in line with our do no harm policy of teaching and learning. In 2020-21 we continued with our evidence-based grading practice and reverted to awarding A through F letter grades. However, students who received an F for a semester grade were assigned an NC (no credit) instead.

Curriculum

Stevenson High School offers a wide variety of courses in order to challenge each student to achieve his/her potential. More than 250 courses are offered, some on different levels of content depth and breadth.

Classes taken at Stevenson are 47 minutes in length, five days per week, 38 weeks per year. Students receive one credit per semester for each course successfully completed (except for those taken at the Lake County Technology Campus and most Advanced Placement science classes, which meet for 1.5 periods per day).

A total of 31 Advanced Placement (AP) classes are offered. For many years, Stevenson High School has been an international leader in the number of AP classes offered and exams administered. Freshmen at Stevenson do not enroll in AP courses. There also are 19 honor-level courses not designated as AP.

Grading System

Letter grades are assigned a different point value at each class level as follows, with the College Prep serving as our standard:

LEVELS	A	B	C	D
College Prep	4.0	3.0	2.0	1.0
Accelerated	4.5	3.5	2.5	1.5
AP/Honors	5.0	4.0	3.0	2.0

Class of 2022	Weighted	Unweighted
Highest GPA	4.8	4.0
Highest Possible	4.8	4.0

A weighted and an unweighted grade point average are calculated for each student every semester. All courses are included in these averages except for physical education, driver education, correspondence courses, pass/fail courses, audit and independent study courses, and courses taken as part of an exchange program.

Students may elect to waive the grade from certain nonacademic elective courses from the calculation of their grade point average. Stevenson High School does not report class rank of any kind.

Stevenson High School does not put the language proficiency classes from middle school on transcripts. Students may retake any course yet the original grade will remain on the transcript. The GPA will be determined by using the points from the higher of the two grades. Duplicate credit will not be issued.

Transcript Information

Official Stevenson High School transcripts are released only to an accredited educational institution or to the NCAA Eligibility Center. All transcripts are sent electronically through Parchment.

A weighted and unweighted grade point average are reported for each student. Test scores are not included on the transcript; students request that test scores be forwarded directly from the testing agency. A counselor signature on a college application verifies the accuracy of the student's academic record.

Only information which is a part of the permanent record generated by Stevenson High School can be verified. Traditional high school courses taken in middle school are not included on the transcript. Students who begin high school in a second year or higher level course have completed the introductory level(s) successfully before entering ninth grade.
