

Petition for Physical Education Credit for participation in Extracurricular Sports

The student listed below is currently enrolled at The Bear Creek School. This petition signifies an intention to apply for physical education graduation credit. It does not guarantee acceptance. Petitions should be submitted for activity completed, not activity in progress and submitted at the completion of each semester. A maximum of .5 credit is allowed per school year semester. This petition should be submitted to Coach Tyler Mendezona (tmendezona@tbc.org) in the Athletics Department.

The following minimum conditions of the activity must be met.

- Fulfill the school goal related to physical growth and activity
- Consist of significant physical exertion and productive exercise and produce growth and skill
- Meet continuously for the length of a school semester
- Take place under the instruction and guidance of a certified and/or credentialed instructor
- Meet time standard of 1500 minutes (25 hours) = .25 credit or 3000 minutes (50 hours) = .5 credit

Often accepted types of activities: dance, equestrian, martial arts, club sports not offered interscholastically.
