Our goal is to bring together a variety of stakeholders who are united by their passion for improving post-school outcomes for students with disabilities and determined to learn how to purposefully plan together to increase the likelihood of positive outcomes.

All are Welcome! Educators, agency personnel and any other stakeholder committed to improving outcomes for students with disabilities.

This will be a virtual meeting, information to attend the webinar via Zoom will be provided to all registrants approximately 24 hours prior.

Please register for this training and more!
