This policy applies to pupils in the Senior School.

Alleyne's School aims to promote a culture of good behaviour and respect to enable the flourishing of every pupil and member of staff.

This Code of Conduct sets out our expectations for pupils at Alleyne's.

Pupils, parents and staff should be familiar with these expectations, which have been carefully considered and are important for the smooth running of a large, diverse and complex community, and to protect the wellbeing of all.

The Pupil Code of Conduct applies to all pupils **from the time they leave home for school until their return home**. It also applies on School coaches and educational visits and expeditions.

General conduct

Pupils are always expected to:

- behave sensibly and responsibly;
- treat all members of the community with patience, respect and understanding;
- accept the authority of the staff at all times;
- respect the authority of school prefects and duty prefects;
- use appropriately respectful language;
- understand that foul/discriminatory language is NEVER appropriate.

In relationships with their peers:

- bullying or any mistreatment of others, including online, will not be tolerated¹
- pupils are expected to report any incidents of bullying or unkindness that they witness

Pupils must never:

- bring drugs, alcohol, cigarettes or harmful substances onto the School site (or to a school trip). Such substances could put the safety of other pupils at risk.²
- bring into school (or to a school trip) dangerous items that could hurt others (including laser pens, knives and any other potential weapons)

¹ More detail can be found in the Anti Bullying and Harmful (Peer on Peer) Abuse Policy

² More detail can be found in the Drugs and Harmful Substances Policy (Senior School)

Academic conduct

Pupils come to Alleyn's to fulfil their potential by working hard and aiming for the highest standards they can. Alleyn's pupils are expected to take responsibility for their learning by:

- arriving at lessons punctually, ready and determined to learn
 - bringing the books and equipment they need
 - following their teachers' instructions
 - completing tasks as well as they can
 - participating fully and positively
 - listening respectfully to others' views
 - handing homework in on time
-
- in the Alleyn's community, disrupting the learning of others is unacceptable.
 - pupils must never plagiarise or copy the work of others;³
 - pupils must not cheat in any way, in order to elevate marks or grades.

Punctuality and Attendance

- Pupils must be present at registration in tutor rooms by **8.30am**. Those not present at that time are counted as late;
- **Pupils arriving too late to register must sign in with their Section Administrator**. This is essential so that we know who is in School should there be a fire or similar emergency;
- Pupils must be punctual for all lessons and move to their rooms on the warning bell which is rung five minutes before the end of the morning and lunchtime breaks.
- If a pupil feels unwell during the School day, they should **seek the permission of the class teacher** to visit the School nurse. Pupils may not attend the Medical Room without permission during lesson time.

Missing lessons

- If pupils know they are going to miss a lesson they should inform the teacher at least 24 hours in advance and ask a friend/study buddy to collect any materials.
- Pupils should take a **pro-active role** in catching up by checking Teams/Class Notebook for materials, copying up missed notes, and completing any homework if possible.
- Where a number of lessons have been missed (especially due to illness) it might not be possible to catch up on everything. Pupils should seek help from their teachers and tutor to work out what should be prioritise and how to organise time.

Appearance/Uniform

- Pupils are the School's ambassadors and part of a formal community.
- Pupils must conform to the dress regulations and wear full School uniform (as defined in the Uniform List/Upper School Dress Code) to and from school and on all school activities and journeys, unless otherwise instructed.
- For games/PE/Dance/Drama/CCF pupils must wear the regulation kit.
- Adapting the School uniform, and wearing non-uniform items with it, is not allowed.
- Pupils must be clean, tidy, with hair tied back appropriately when necessary.⁴
- Hair must be of a natural hair colour.
- Pupils with pierced ears may wear a stud in each ear. Studs or rings in noses/lips/eyebrows may not be worn at school.

³ More detail can be found in the School's Plagiarism Policy (Senior School)

⁴ Long hair represents a Health and Safety hazard in physical activities, laboratories and workshops and should be tied back.

- Other jewellery, make up and nail varnish are not permitted below Year 12.

Personal and school property

- Theft is treated as an offence against the whole community.
- ALL personal property must be clearly named and looked after by pupils.
- All pupils have an individual pupil locker located in/close to their Tutor base. Pupils must bring a small combination style padlock to secure their own locker, and not share their code with others.
- Items of value should be treated with care at school and should be appropriately secured in lockers when unattended, including during Games. The School takes no responsibility for clothes, bicycles or personal property left at School.
- Pupils must be mindful of others and keep bags off stairs, footpaths and away from entrances.
- Pupils may take a small bag into the Dining Hall (with their BYOD device in), but large bags must be left in form rooms or the designated bag carousels.
- Classrooms should be left tidy at the end of each lesson.
- If pupils lose an item, they must check Lost Property within a reasonable time. Lost Property opening times are listed in the School calendar.
- Pupils should carry their Uniware cards with them and may only use their own card. Lost cards must be reported to Reception immediately.
- Pupils are forbidden to buy, hire or sell any articles amongst themselves without specific permission from the Head of the Lower School (Lower School pupils) or from the pupil's Housemaster (Middle and Upper School pupils).

Devices/ICT

Pupils must agree to the School's ICT Acceptable Use Policy⁵ at the start of each academic year.

Pupils must avoid accessing inappropriate material, treat others with respect and be mindful of the reputation of the School.

Mobile Phones

- **Y7-11 may not use their mobile phones during the school day**, except with the express permission of a member of staff (when advance notice will have been given) to do a particular task in a lesson that cannot be done with the BYOD device. Where that is the case, phones must remain in bags until that teacher asks pupils to use them;
- **Y12-13 may not use their phones anywhere on the school site, except in the Sixth Form Centre;**
- Phones being used **without permission** will be confiscated; these should be switched off and the teacher will pass to Reception, for collection after school (until 5.00pm or the next morning).
- Mobile phones may be used in an **emergency**.

Bring Your Own Device

- Pupils are expected to bring their device to lessons **charged and ready to use**. Pupils may top-up devices in classrooms when necessary and appropriate.
- Pupils must look after their own device, and respect the devices of others, including being thoughtful about how bags are handled.
- Devices should not be left unattended but should be locked in individual pupil lockers.
- Devices must be closed/away until permission is given by the teacher to use them.

⁵ The Acceptable Use Policy covers expected conduct on IT platforms and systems.

- Pupils must only use their devices for the activities set by the teacher: pupils seen using their device inappropriately (for instance, looking at other websites, or sending messages during a lesson) can expect to be sanctioned.
- Outside lessons, pupils in the Lower and Middle Schools may use their devices only in the library or allocated homework room; those in the Upper School may use their devices in the library, study area or the Sixth Form Centre.
- Pupils who have signed out a loan device for the day must return the device promptly and in person as directed, having logged out of any apps they have used.

- **After School:** Pupils in the Lower School may be given permission to do homework quietly in the Lower School;

Transport and our neighbours
