Important Dates to Remember

The Culver Summer Schools & Camps staff identifies candidates for the summer merit scholarships. Together with a committee of Culver faculty and staff, they will analyze the credentials of all the applicants.

There will be abundant interest; therefore, a thoughtful, quality, and camper-driven application is highly recommended. Scholarships will be awarded on a rolling basis. You must be already accepted to the Woodcraft Camp or Upper School before you may be considered for a scholarship.

Families who believe they will qualify for financial aid should complete that separate process also to maximize the chance of attending Culver this summer.
