# Homecoming 2021

At Wausau East we celebrated Homecoming Week with several fun activities and a great deal of camaraderie. The week began with hallway decorating and dress up days, followed by a tailgate party, games assembly, Rev-Ur-Engine contest and dance. The students and staff shared many laughs and even took each other on in the tug-of-war contest. For the first time, our games assembly was held outdoors to add a level of safety and it was just a beautiful day! Thanks to all of the students who took part in the festivities and for conducting yourselves in ways which align with our four Core Values.

Homecoming Court: Girls L to R - Kiki Liss's - Gravemade (Queen), Courtney Rowe, Marri Bootz, Ellie Sewall, Nora Imhoff

Boys L to R - J.T. Gorski, Alek Zavadoski, Noah Stroming, Sawyer Trevillian, Spencer Prihoda

King:  
Spencer Prihoda  
&  
Queen:  
Kiki Liss's - Gravemade

Homecoming Emcees: L to R - Chloe Maier, Matt Sitte and Eva Schmelzer

## Welcome New Lumberjack Faculty & Staff!

**NICOLE ANDERSON**  
Special Education Paraprofessional

Hello, I'm Nicole Anderson. I went to Random Lake High School, WI, and have moved eight times since between Wisconsin and Minnesota. I worked as a para in Glyndon, MN, John Muir, Horace Mann, and Wausau East High. We own a strawberry farm east of Wausau. I have two children and a loving devoted husband. We all enjoy the animals on our hobby farm.

**LEA CARROLL**  
Science Teacher

I grew up in Wausau and was a 2011 graduate of Wausau East High School. I then went to school at UW-Madison where I studied chemistry and biochemistry. While in Madison, I worked in a microbiology research lab for a year, and a nutritional chemistry lab for three years. I then went back to school again at UW-Madison to get my teaching degree. I was a long-term substitute teacher

at Sun Prairie High School for a year before I started teaching at Wausau East this year.

I was also on the swim team when I was in school at Wausau East and UW-Madison, and I was a swim coach for the last year for the Woodson Y Northern Swimmers (WYNS). In my free time, I enjoy swimming, hiking, camping, and canoeing with my husband. I also love to paint, cook, and to spend time with my family and friends. I am very excited to be back at Wausau East as a teacher, and to be teaching in-person with students.

**ABBY FOX**  
English Teacher

Hi! My name is Abby Fox, and I'm so excited to be teaching English at Wausau East! I am originally from Thorp, WI, but I've moved around a lot in recent years. I graduated from Concordia University-Nebraska in 2019, moved to St.

Louis with my husband for a year, and then came back to the Wausau area. My husband and I have two labs named Louie and Millie that (students can attest) I am a little bit obsessed with. In my free time, I like to sing and play piano, watch the Brewers, and hang out in coffee shops. My favorite part of teaching is getting to know my students and seeing them get excited about their passions. I can't wait to see what this year will bring!

**JESSICA GABRIELSKI**  
Global Language Teacher

Hi Lumberjacks! It's good to be back in Wisconsin and at East again! Many years ago, I was a student teacher at the old East High, where I taught Spanish (for part of my teaching day) and for a few years thereafter. For the past 18 years I have traveled the world with my husband, my two boys and the Air Force. I have lived in and taught both Spanish and English in a number of places, but there is no place like home. I rejoined the Global Languages team as a traveling teacher this year, and I feel lucky to be able to teach first period Spanish at East. Thanks for welcoming me back!

**JASON BEAL**  
Guidance Counselor

My name is Jason Beal and I am excited to be a new counselor at East! I spent the last school year as an Elementary Counselor in Menasha, so I am looking forward to new challenges working with high school students. Prior to that, I completed my Bachelor's degree at UW-Madison in Human Development and Family Studies and was also a tuba player in the UW Marching Band. From there, I went on to get my Master's degree in School Counseling from UW-Milwaukee. In addition to working as a school counselor, I am also an assistant tennis coach here at East. My wife and I have been married for two years, and we enjoy getting outside to play tennis and disc golf and exploring state parks!

**RAECHAL GANTNER**  
Special Education Paraprofessional

Hi all! My name is Raechal M. Gantner, and I was recently hired as a Special Education paraprofessional at East High School! I am a single mom of an 11-year-old boy, with three fur-children. I grew up in the Wausau area and recently received my Bachelor of Science degree in Public Administration from Upper Iowa University. In addition, I have an Associate of Applied Science in Small Business Entrepreneurship, a certificate in Small Business Management, and a certificate in Social Behavioral Science, all from Northcentral Technical College. I previously worked at NTC, and also hope to one day to launch a nonprofit organization that provides legal assistance for families struggling to navigate through the family court system. I am very excited to be here at Wausau East High, and I look forward to working with all of you!

**CATHY GAUGER**  
Career Center Coordinator

Hi! My name is Cathy Gauger, and I look forward to being able to help East students along their career journey. I earned my Master of Science degree at

UW-Madison and my Bachelor of Arts degree at UW-Whitewater. I have worked in the career counseling field for 10 years.

**DAVID HALE**  
Special Education Paraprofessional

My name is David Hale. I'm from Houston, Texas. I went to college in LaCrosse, WI. I moved to Wausau in 2016, and started coaching track and field at East in

2018. I decided to apply for a para position this year after deciding to go into education. I'm excited to be part of the East team. I hope to be here for a while.

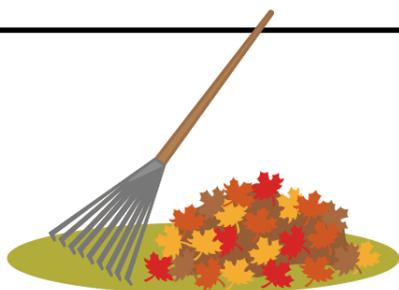

**ZACH HENKE**  
Math Teacher

Hello all! My name is Zach Henke and I am very excited to start my

teaching journey here at Wausau East. I am a new hire in the math department and I am teaching Algebra I and Algebra Ia this year. Although this is my first year teaching, the school is not new to me. I grew up in Wausau, and I graduated from East in 2016 at the top of my class. Ever since then I have been an assistant coach on the football team. Coaching here is actually what inspired me to become a teacher, as I found working with kids to be a tremendously rewarding experience. I look forward to beginning my professional journey at the school that has been so formative to me as a person. Go Jacks!

**ANNA LIEBHABER**  
Global Language Teacher

Guten Tag! I am Frau Anna Liebhaber, the new face of German at Wausau East. I taught in Merrill for 15 years and now proudly join East's amazing World Languages Department. I grew up in the Milwaukee area, attended UW Madison, then lived in Germany for two years with my own family before moving to Wausau. I have lived here now for 16 years and continue to enjoy this community with my family, and now as a teacher. I look forward to carrying on the proud tradition of German at East, and to the amazing experience of helping students learn a new language. Proud to be a Lumberjack!

**SARAH NILLES**  
School Social Worker

I am excited to be joining the East team! As a graduate from Wausau East and having had all three of my children attend East, it feels fitting to be back. I have been a school social worker with the Wausau School District since 2014 and graduated with my Masters in School Social Work from UW-Madison. Prior to working in the WSD, I held a variety of social work positions within our community.

My passion is working with students and families – advocating for what’s needed, helping connect individuals to resources and supports and brainstorming solutions to challenges that arise. I will be in the building full time and am available to all student and families. Please feel free to contact me anytime via email at [snilles@wausauschools.org](mailto:snilles@wausauschools.org) or by calling my direct line at (715)261-0668. I look forward to working with you and your family.

**MACEY STAAB**  
Family & Consumer Education Teacher

Hello Lumberjack Families! I am excited to join the Family and Consumer Sciences department and look forward to meeting many of you! I attended UW-Stevens Point for my bachelors in FCS and Health Education! I previously taught in Cadott, WI and am happy to be back in the central Wisconsin area! I enjoy spending my free time in the great outdoors! In the summer I enjoy hiking and biking and come winter you can find me at Granite Peak on the weekends! I'm looking forward to having a great school year!

**KARA TORKEKELSON**  
Global Language Teacher

Bonjour! I am Kara Torkelson and I will be starting my 29th year French in the Wausau School District. I was inspired to be a teacher when I was 13 years old. I was asked to be a helper for my dance teacher and was amazed at how the way I said or showed certain steps helped them learn faster. I knew then that I loved teaching!

After high school I did my undergraduate studies at Bemidji State University. I graduated with a double major in Elementary Education and High School French. I have studied and lived in France. My first job was teaching 8th grade French at John Muir Middle School. I continued my studies by receiving my Master of Arts degree in French from the University of California Santa Barbara. Since then I have been teaching French at Wausau West High School.

My first trip to France was when I was 16 and it changed my life forever. I have lead several student trips to France and Canada. I love to see my students use their language skills and experience a new culture.

In March 2018, I was awarded the **AATF Exemplary French Program Award** for Wausau West High School. I was 1 of five teachers to be selected nationwide and I am very proud of the strong French program. Currently, I am the **President of AATF** (American Association of Teachers of French) Wisconsin chapter.

I am an active member of WAFLT and received the WAFLT (Wisconsin Association of Foreign Language Teachers) **Merit Teacher Award** in 2014. I am currently a WAFLT board member and editor of the monthly eVoice. I also run the Wausau West French Club and International Club.

I have coached Poms at John Muir and South Mountain Elementary and have taught a variety of summer school classes which have included theater, dance, health academy and board games. I have also coached volleyball at John Muir. My husband and I have been married 27 years and have 2 children and one cat. One of my favorite activities is going to garage sales and collecting dishes. I am a YMCA certified aerobic instructor and love exercise and fitness. I also do private tutoring.

**DAWN WALBECK**  
Deaf and Hard of Hearing Teacher

Hi! My name is Dawn. I am the new Deaf and Hard of Hearing Teacher at East. I went to school at UW-Milwaukee. Previously I have taught in the Antigo School District for 21 years. When I was there I taught regular education and special education. I have 3 teenage boys that keep me busy with soccer, hockey and baseball. I have 2 cats/3 dogs (including a golden doodle puppy) that keep me busy as well. I like to spend time outside.

**IAN WEBER**  
English Teacher

My name is Ian Weber and I am a new teacher in the SPARC Program here at East. I spent the last 18 years teaching English and Leadership at Wausau West (I know...don't hold it against me...) and I am very excited to begin this new chapter in my career! I actually began at East in 2018, as I have been coaching varsity football here for the past four years. I grew up in the Medford area, playing football and baseball in high school as well as being the editor of my school newspaper. I attended college at UW-Oshkosh where I met my wife, who is a Spanish teacher at West (I know...I know...) In my spare time, I enjoy hanging with my family, gardening, fishing, watching football, and attending sports card shows with my boys. I also own my own business, doing personal coaching, leadership training, and motivational speaking for individuals and groups. I can't wait to continue to build positive relationships with as many of you as possible. GO JACKS!

**NANCY XIONG**  
Health/PE Teacher

Hello Students and Families,

My name is Ms. Xiong! I am excited to spend a part of my day teaching Physical Education and Health Education at Wausau East this year! I graduated from Wausau East in 2011 and later received my bachelor's degree in Physical Education from The University of

Wisconsin - Stevens Point. Prior to this school year, I taught elementary Adapted Physical Education in the district. In my free time I like to play with my dog, hike, and travel. I am looking forward to a great school year with you all!

**LIZZY ZASTROW**  
Math Teacher

My name is Lizzy Zastrow and this is my first year teaching at Wausau East. I am extremely excited to be here, as I graduated from Wausau East and absolutely loved my high school years here. After graduating high school, I attended the University of Wisconsin - Eau Claire for my bachelor's degree. Since graduating, I have worked in tax and finance until recently transitioning into teaching this year. I have been married for 1 year and my husband also went to Wausau East so we are an East family. Outside of school I love anything to do with the outdoors, especially running, kayaking, biking, and fishing. I also love sports, whether that be playing them or watching them on TV. I am excited to be here and can't wait to get to know everyone!

**BECKY ZOROMSKI**  
Special Education Teacher

Greetings and happy fall! I am Becky Zoromski, though students just call me Mrs. Z. This is my first year as a Special Education Teacher here at Wausau East and third year in the district. Though I received my Bachelor's in Education from UW-Oshkosh in 2003, I have had other professional experiences in central and northern WI including several years as an Executive Director of a local non-profit as well as a small business owner with my husband (which we still operate). I enjoyed these opportunities but am so excited to be back in a classroom with students. I look forward to getting to know everyone and am proud to call myself a Lumberjack!

## Congratulations to the Following Students:

Lia Rasmussen, Heather Koch, Shannon Rasmussen and Nathaniel Contreras! The following students entered B3's 1<sup>st</sup> Festival of Shorts for Youth during their Creative Writing class in Spring of 2021, and they became two of the six finalists to have their plays accepted!

The students are currently working with a director to get their play ready for performance in December down in Phoenix, Arizona! Stay tuned for more information, there will be a live Zoom of their plays!

# Leader in Me<sup>®</sup>

Wausau East High School is proud to be a *Leader in Me* School. *Leader in Me* is a whole-school improvement process based on the idea that **everyone can be a leader**. This [evidence-based](#) approach empowers students with the leadership and life-skills they need to thrive in the 21st century. We focus on developing the whole-child by: teaching **LEADERSHIP** to every student, creating a **CULTURE** of student empowerment, and aligning systems to drive results in **ACADEMICS**.

## Lumberjack Core Values: Integrity

Integrity means doing the right thing even when no one is watching. Consistently being true to who you are and acting according to your values is demonstrating integrity. People with integrity are problem solvers and movers and shakers. As we begin this school year, we are committed to building our own personal integrity and an even more inclusive school environment.

Here are five ways you can build *your* personal integrity.

1. *Do what you say you will do.* Be someone that others can trust and rely upon.
2. *Stand up for what is right-always.* If you see something wrong, say something.
3. *Commit to positive change.* Use the lessons we are learning from Leader in Me activities to set high standards for yourself and others.
4. *Take ownership for solving problems.* We are all in this together, so if you see a problem, chip in and help fix it. This is as simple as returning your tray in the lunchroom or as involved as joining the Student Cabinet to help review our processes and programming.
5. *Act sooner rather than later.* Your time in high school is limited so be involved, step outside your comfort zone and try something new.

## Parent/Teacher Conferences

**\*\*Please note change of dates**

The first round of parent/teacher conferences for the 2021-22 school year are scheduled for

Thursday, October 14 @ 3:30 - 8:30

Wednesday, October 27 @ 12:30 - 7:30

**\*\*There will be no conferences on October 20 as previously scheduled.**

Please watch your email for upcoming instructions on how to schedule through PTCFast.

## Annual Senior Picture

The Senior Class of 2022 will have their annual photo taken on Wednesday, November 3, between 2:35-3:00 p.m., in the field house. Order flyers will be distributed at the end of October, prior to the picture being taken. If you would like to place an order, please bring flyer back on November 3. If you have any questions or concerns, please contact Ms. Hollander at 715-261-0651.

**CLASS OF  
2022**

## Graduation...Attention Seniors & Parents!

Graduation 2022 will be here before we know it, so now is the time to start planning. Josten's will be here on Wednesday, November 3, between 2:35 - 3:00 p.m., in the field house to present seniors with an informational packet and answer any graduation questions. Seniors will be asked to take this informational packet home and share with parents. Josten's will then be here on Wednesday, November 10, from 10:00 a.m. - 1:00 p.m., to take orders. A \$30 deposit is suggested to place an order. Extra graduation packets will be available in Student Services if seniors are unable to attend on November 3.

If you have any questions or concerns, please call Ms. Hollander at 715-261-0651.

## Zoro's Locker

Our mission is to provide food and supplies to Wausau East students who are currently in need of support. As a group of educators at East High, we feel passionate that all of our Lumberjacks deserve to be fed every day and will do everything we can to ensure our students have those meals.

Last school year, many families, friends, students, co-curricular teams and clubs supported Zoro's through various food donations. Lamb's Fresh Market is a local business who have helped our food pantry since it began four years ago. Anyone can purchase a \$10 bag of groceries at the store which is then donated to our food pantry. Additionally, the United Way Hunger Coalition donated food. Their main fundraiser this year is the "Turkey Trot" 5K happening on Thanksgiving morning. The event usually starts at the Eastbay building on 1<sup>st</sup> Avenue. Any support for the Hunger Coalition would be appreciated.

If you are interested in supporting Zoro's Locker through donations of food or money, please reach out to the Main Office at (715)261-0650.

## DC/Philly/Boston Trip 2022

### Attention students in Grades 8, 9 & 10!

Planning is underway for the 2022 DC/Philly/Boston trip this spring! This year the trip will be available to 8th graders who would typically go and 9th & 10th graders who missed the trip during 8th grade due to the pandemic. Our first organizational meeting is Thursday, October 14th at 5:30 p.m. in the Large Group room at HMMS.

The meeting will include:

- What we will see and do on the trip
- Rooming/safety/expectations
- Cost and registration information
- Answering parent and student questions

\*\*\* It is very important that you AND a parent/guardian attend.

We look forward to seeing you there! If you are unable to attend, please contact Mrs. Tourtillott at [tetourtill@wausauschools.org](mailto:tetourtill@wausauschools.org) for more information.

## Youth Apprenticeship Update

Hello!

I have had the privilege of working with East students and families as a School Counselor the past 21 years. At a time when many of us are reflecting on our lives, I decided to make a change. This year, I am working as the Youth Apprenticeship Coordinator. I am excited to work with students who want to combine academics and on the job training.

The Youth Apprenticeship program allows junior and senior students to explore career pathways from high school to post-secondary education or the work force.

Why be part of the Youth Apprenticeship program?

- Earn high school credit
- Get paid while learning from skilled professionals
- Connect high school education and real-life work
- Increase career awareness and improve future employability
- Receive a state issued skills certificate which is recognized by employers
- Develop skills desired for entry-level employment

If you are currently working in a job or would like to explore employment opportunities, please reach out to me!

Contact Info:

Missy Cayley, Youth Apprenticeship Coordinator

Office Hours: Tuesdays and Wednesdays

# Wausau East's DECA Officers Welcome All Students to Join DECA this Year!

## Monthly Newsletter

Wausau East DECA has a lot to offer our members this year. Students who join DECA will have the opportunity to meet a lot of new students and have fun at our monthly social events. We already had a deck party at Weston Aquatic Center but are planning to go to a corn maze, tubing at Sylvan this winter, and much more.

Our DECA officers will also help each member participate in numerous community service projects. Students will have the opportunity to do food drives for local food pantries, prepare meals for the homeless, among several other worthy causes.

DECA members will also have the option of competing in various Business and Marketing competitions. DECA competitions give students a chance to test their skills and knowledge in various Business, Finance, Marketing, Communications, and Management categories against students from all over the state and potentially world!

Please consider joining DECA. It's a great way to meet new students, build business relationships, have fun, develop skills that will help in your school, personal, and career lives, and give back to your community.

If you're interested in joining, please contact Mr. Knight, our DECA Advisor, or one of our DECA Leadership Team members. This year's Leadership Team members are:

Kaosheng Chang -VP of Chapter Development

Ellie Sewall - VP of Middle School Programs

Akaya Thao - VP of Store Operations

Garrsion Stockwell - VP of Store Operations

Alexandra Klemp-North - VP of Community Service Campaigns

Emily Juedes - VP of Business Partnerships

Megan Marohl - VP of Competitions

Alaina Berres - VP of Brand Management

Makenzi Gale - VP of Membership

Logan Fike - VP of Events

Lillie Zaitz - VP of Leadership Development

*If you would like to become a DECA member or business partner or support us in other ways, please contact DECA advisor, Trevor Knight, at [tknight@wausauschools.org](mailto:tknight@wausauschools.org)*

## Registration for the May 2022 IB Exams

Should your junior or senior student register for the IB exams?

Who is eligible to register?

How and when do they register?

What is the cost?

To clarify these questions and others, information is posted on the Wausau East IB webpage. From the East homepage select 'School Info' then 'International Baccalaureate World School'. The IB Exam Registration information is under the heading, 'IB at Wausau East'.

You can also stop by the IB Resource Center, next to the JackShack, during parent conferences on October 14 and 27 to pick up handouts that will explain the IB Exam Registration process. If you would like to discuss the registration process, please sign up for a parent conference with the IB Coordinator, Darlene Beattie.

Registration for the May 2022 IB exams will take place from **Monday, September 27 through Wednesday, October 27**. Be sure to mark your calendars because this is the only time for IB exam registration. Eligible students will complete a registration form through google forms that will be emailed to them. Payments can be made with a credit or debit card through the Infinite Campus Parent Portal or by a check made out to Wausau East High School. **Registration fees are not refundable.**

Examinations will be administered in accordance with IB regulations. The IB Exam schedule for the May 2022 session can also be found on our website. The exam dates are not negotiable. As a result, exams take priority over other school activities.

If you have questions, please call or email Darlene Beattie, 715-261-0650, [dbeattie@wausauschools.org](mailto:dbeattie@wausauschools.org)

## College Bound?

College admission tests are one of the requirements when applying to a college or university. Both the ACT (American College Test) and the SAT (Scholastic Aptitude Test) are admission tests. A student may choose to take one of both of these assessments. However, it should be noted that the University of Wisconsin has historically preferred scores from the ACT assessment as part of its entrance requirements. Also, to qualify for some scholarships a student may be required to submit an ACT or SAT score.

Students may register for either test online at the following address: [ACT](#) or [SAT](#)

NOTE: The ACT has an optional writing test. It is important for students to check online at [ACT](#) prior to registering to take the test, to see if the college(s) they plan on applying to requires the writing test. Not all schools require the test. The SAT also has a writing section to its test; however, it is included as part of the test and all students who take the SAT will take the writing component. Both testing companies indicate that applying online expedites registration.

### Career Center News

The Career Center (Room E146) is a place where students are able to receive support and access to a variety of resources to help investigate, research and develop a career plan and explore their post-secondary options.

**College and Military Visits:** Representatives from colleges, universities and the military will visit the Career Center throughout the year. Students should watch for advertisements and emails and make a point to stop by the Career Center to meet with a rep and learn more about their post-secondary options.

**ASVAB:** The ASVAB (Armed Services Vocational Aptitude Battery) will be offered at Wausau West to any interested junior or senior. The ASVAB is a voluntary, free career aptitude test designed for students who plan to enter the military upon graduation OR for students who simply want to learn how their skills and interests match hundreds of occupations. The ASVAB is a three hour test. If you have questions, see Mrs. Gauger in the Career Center.

**Selective Service:** All males must register with Selective Service within 30 days of their 18th birthday. Students may register as early as three months after their 17th birthday. This is not a school requirement, it is the law. Failure to register will affect a student’s ability to receive financial aid, job training or to gain citizenship. Registering with Selective Service is easy and only takes about two minutes. Go online at [www.sss.gov](http://www.sss.gov)

**Students: Check Your Email!** Students are encouraged to check their Wausau School District email regularly to stay up-to-date on happenings in the Career Center. College, military and community organization visitors will be announced via email. Additionally, job and volunteer opportunities and field trip announcements may also be sent via email. Announcements are also posted on the TV messaging system.

**Contact Information:** Please contact Cathy Gauger, Career Center Coordinator, at 715-261-0657 or [cgauger@wausauschools.org](mailto:cgauger@wausauschools.org) to schedule an appointment or ask questions related to career planning, college, or employment.
