

Bear Booster Grant Request Form

2021-2022

The Bear Booster Club is a parent organization that raises money to enhance Lake Zurich High School academics, clubs, and athletic teams.

Grant requests are to be submitted electronically ONLY. To request funds for your group, submit this form and supporting documentation to the Bear Booster email, [BearBoosters@lz95.org](mailto: BearBoosters@lz95.org), for review. Approved grants are limited to \$1500.00 per organization/event. The Bear Booster Board will consider all grants EXCLUDING those which solely benefit individual students, sponsor co-curricular parties or contribute toward organizations not directly associated with LZHS. Travel expenses and food are NOT eligible for grant considerations. It is the responsibility of the requestor to find a vendor, obtain competitive pricing, arrange for delivery, place the order and submit receipts. Finally, we request that you place the order and submit receipts within 90 calendar days from the time you receive notification that your grant was approved. Otherwise, you will risk losing the approved grant money. Please answer the questions on the next page.

Questions? Please contact Kim Ketcham, Bear Booster President, [BearBoosters@lz95.org](mailto: BearBoosters@lz95.org)
