

The Academy School Calendar Policy

Pursuing Truth, Wisdom, Excellence

Mission Statement: The Academy serves our students to develop college ready, exemplary citizens by promoting excellence in academics, character and relationships.

It is the expectation of the Board that each Spring the Chief Executive Officer will annually develop a calendar for final adoption for the upcoming school year.

The school calendar should be no less than 160 days as specified in state law unless annually requested by the school and approved by the state.

The school calendar shall include the dates for all professional development programs scheduled for the coming school year.

A copy of the calendar shall be available to all parents/guardians of students enrolled in The Academy.

Any change in the calendar except for emergency closings or other unforeseen circumstances shall be preceded by adequate and timely notice. Each time a calendar is amended, an updated copy shall be submitted to CSI.

For the 2021-22 academic year, student contact days may include remote learning days as implemented as a result of public health and safety measures.

If school is closed due to emergencies, which results in student-teacher contact time being reduced below the minimum hours/minutes allowed by state law and provided for in the calendar, the Chief Executive Officer shall adjust the calendar to make up for the lost time. Notification by email shall be made to Charter School Institute on the dates that the school closed and the planned make up dates.
