

BILTON NEWSLETTER

#BECAUSE WE ARE BILTON

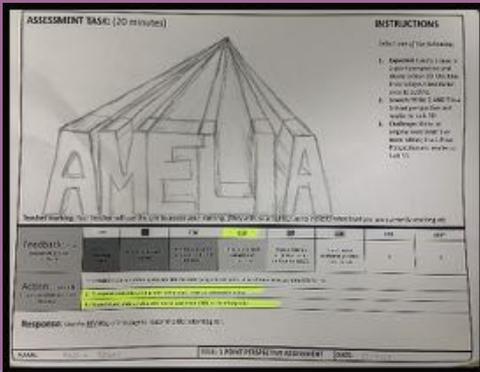

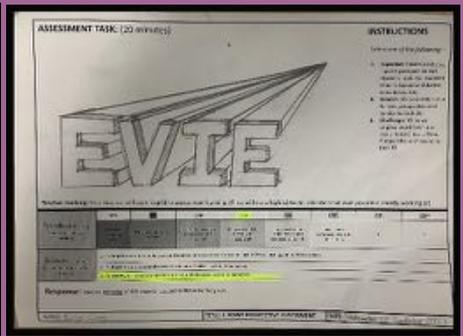

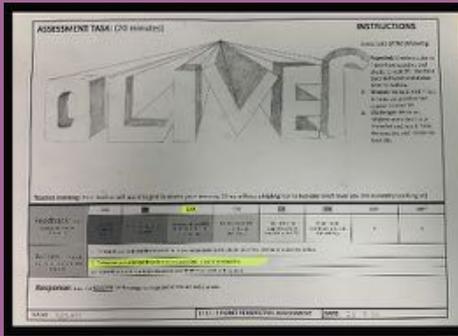

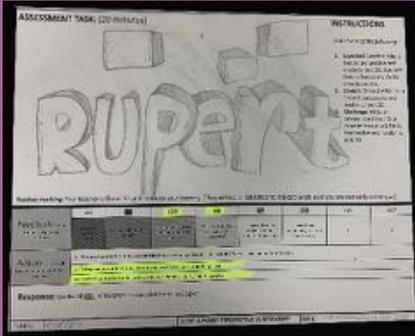

1st October 2021

HEAD TEACHERS BLOG

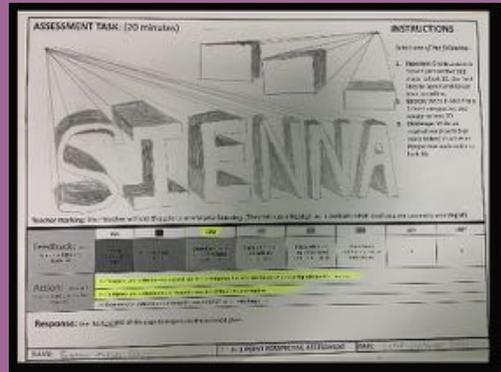

It's fantastic to see some of our sporting teams making the newsletter this week and I know that over the coming weeks there will be more examples of fantastic participation in our wider memorable experiences which all add to the richness of the Bilton experience.

We welcomed parents and students of our Year 10s and 11s to the school over recent weeks for their information evenings which focussed on sharing the skills and ethos needed to be successful for their English Lit GCSE in Year 10 and the broader range of subjects in Year 11. We have also been really pleased to tour prospective Year 7 families around the school during our open mornings and have been overwhelmed by their positive comments about Bilton that they saw during our working day.

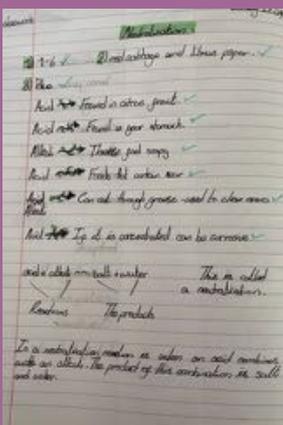

Technology Department

Well done to Evie, Amelia, Sienna, Rupert and Oliver for achieving highly in their Technology Year 7 Assessments

Science Department

The first two Images are year 7 work from Lena and Salma. The second two are year 9-David and Priestley. Well done all.

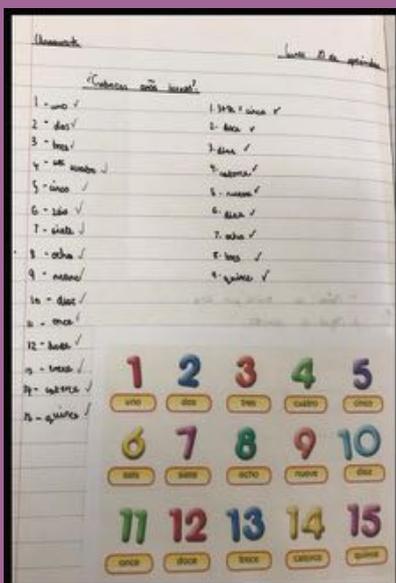

#BECAUSE WE ARE BILTON

PE Department

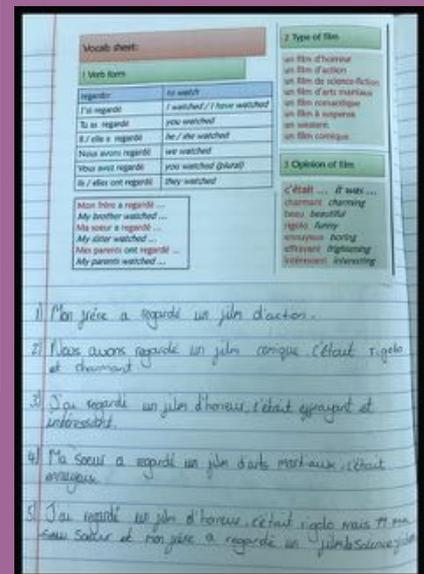

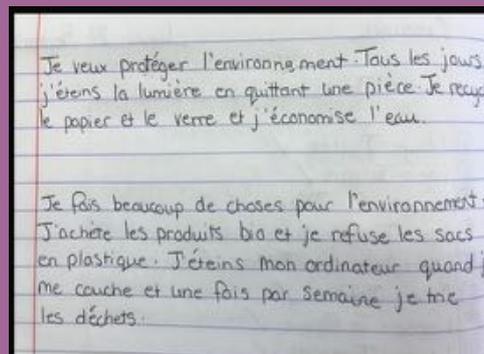

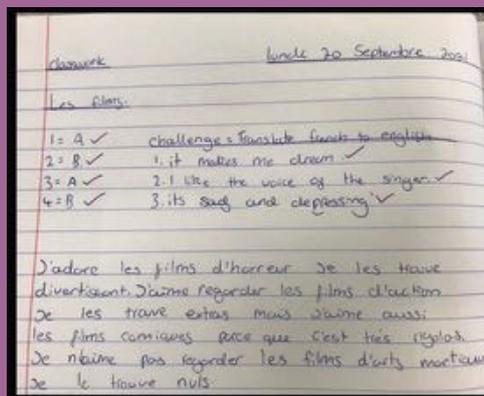

Year 8 football progress. The following Year 8 footballers have embarked on their school representative honours this year. So far playing two games, a 4-2 loss to Harris and a 7-0 win vs Avon Valley. The boys have represented the school in fantastically and we are all very proud. Plenty more game to go, well done boys.

MFL Department

'Amazing work from our linguists this week!

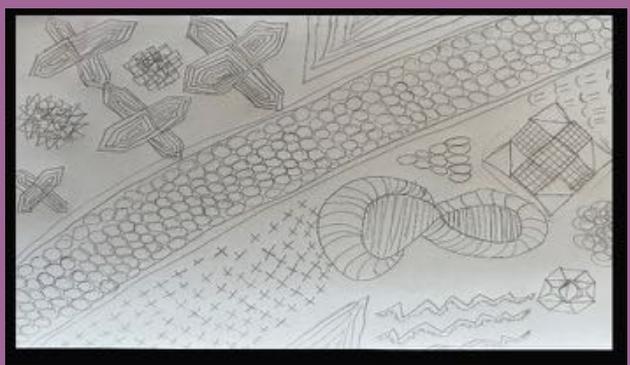

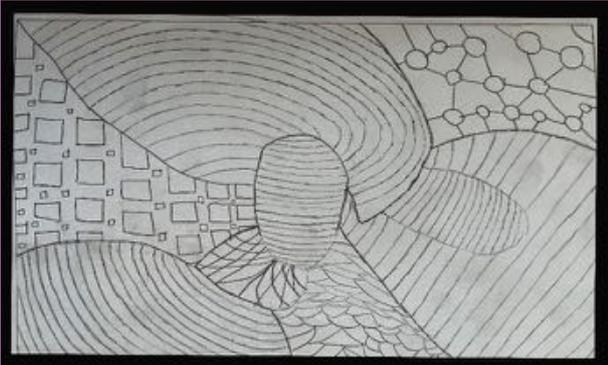

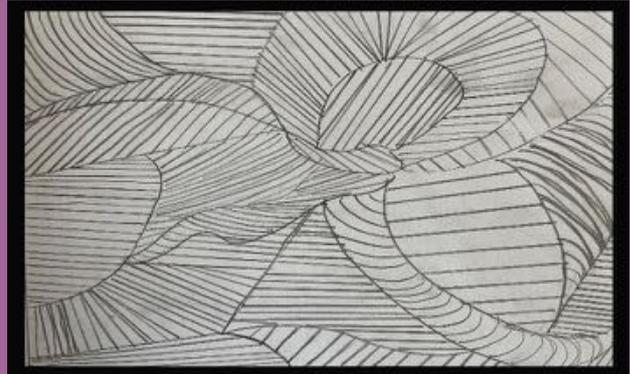

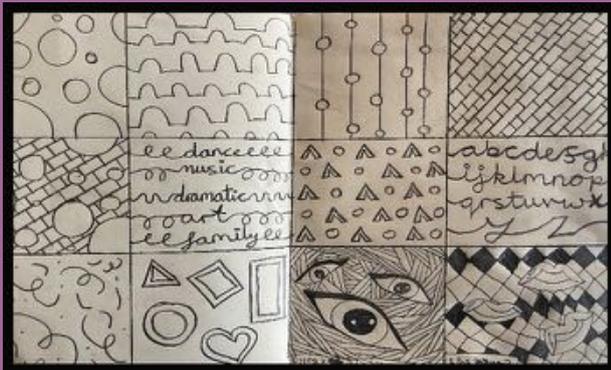

Kyla W. Y7 Spanish numbers
 Scarlett S Y9 Films
 Maddie W. Y9 Films
 Jessica E. Y11 Environment

Photography Department

Lovely work from
Andrei & Princess
Year 13
Photography
