## Greetings from Guidance

Senior parents, Happy *FAFSA Day*! The Free Application for Federal student aid opened today and is ready for seniors and their parents to complete. This is the main form for all federal and state grants and loans. Below is the Information for our Virtual Financial Aid Night.

**We will host a Virtual Financial Aid Night on October 7th at 6:30pm.**

**Mr. Joe Alaimo from Gwynedd Mercy University will be our presenter this year and will present information about the FAFSA, grants, scholarships and more.**

Click [here](#) for the Zoom link.

One October 12th we will have speakers from Minding Your Mind talk with our freshmen and sophomores. The speaker will share how they effectively coped with mental health issues. They will discuss how the last year has been especially stressful and ways to get assistance. Check out their website [mindingyourmind.org](http://mindingyourmind.org) for additional information and resources. Each year we have hosted Minding Your Mind, the students have enjoyed it and gained valuable information.

The PSAT will be held at Roman on Wednesday October 13th. If your son is a junior, please encourage him to be prepping on Khan Academy. The PSAT is the best practice for the SAT and this score is used when advising him on colleges. Sophomore parents, please ask your son to take this test seriously. Freshmen parents, your sons will be taking the PSAT 8/9. We believe that students who focus and take the test seriously, end up performing better on the SAT. We will get out additional information and pointers for being prepared as the date gets closer. Sophomore Parents: Please remind your son to complete the on-line interview form . All sophomores received an email and it is also on Mrs. Snyder's Google classroom.

## Tips for Addressing Academic Concerns

- **Monitor PowerSchool**—parents have access to PowerSchool, which allows them to closely monitor their son's performance in his coursework. Login information was mailed to each family at the start of the school year. If you are still in need of PowerSchool login information, please contact Mrs. Shipton at [mshipton@romancatholicshs.com](mailto:mshipton@romancatholicshs.com)
- **Open Dialogue with your Son**—As grades are entered into PowerSchool, have a conversation with your son about both the positive grades as well as the grades that need to be improved. Providing your sons with positive feedback throughout the marking period often makes it easier to address academic obstacles. When assignments are missing or test grades are low, this timely dialogue with your son is critical. *The importance of completing work on time and studying for assessments is critical to a student's success at Roman Catholic High School.*
- **Email the Teachers**—the Roman Catholic Faculty is comprised of many talented educators who are here to support your sons along their academic journey. After having a conversation with your son, please feel free to reach out to your son's teachers through email. **Please give teachers 48 hours to respond** as their teaching loads consist of around 150 students. Also, feel free to copy the Department Chair for the academic discipline on your correspondence to the teacher. The Department Chair emails can be found below:
  - **Theology**—Mr. Jim Murphy - [jmurphy@romancatholicshs.com](mailto:jmurphy@romancatholicshs.com)
