Hello RAHS Families and Community –

Please join me in providing a well-deserved “Congratulations!” to Class of 2022 students **Smera Venkateswar, Chloe Conrad, Aeddán Claflin and Amanda Alben** who have all been recognized as a **National Merit Commended Students**. These four outstanding scholars were recognized by the National Merit Program for their exceptional academic promise and performance on the PSAT/NMSQT assessment. Way to go!

We are excited to be a part of the **Association of Washington Business Manufacturing Week Tour!** The tour shines a spotlight on Washington's makers (including our neighbors and key economic power Boeing), highlights the importance of manufacturing to the state's economic recovery and calls attention to ways policy makers, economic development groups, chamber of commerce leaders and others can support manufacturers. Education is a huge part of the economic viability of our future and Raisbeck Aviation High School is so very proud to offer the opportunity for our students to learn the skills necessary to be a part of the future economic success of our state. The AWB tour will be on campus Tuesday between 11:00 and noon!

We are also excited this week to host a tour for the **CAPS** Network of innovative learning schools – CAPS will be touring on the afternoon of Tuesday to observe our hands-on learning in classrooms.

And finally, students and staff this week will be participating in **Spirit Week**, sponsored by our fabulous **ASB Executive Team**. Students and staff can participate in dress-up spirit days and are invited to join in some fun games after school on Friday for the Tail Gate event. Students are also invited to sign up to attend the Homecoming event on Saturday from 7:00 – 9:00. It is important to note that due to restrictions, the event is not a dance, and no guests are allowed. However, our ASB has a fun evening planned!

Enjoy the week.
