If my above named son/daughter is accepted in the New English School I agree to pay the tuition fees either for the whole year or for the first term as soon as I am notified of his/her acceptance and all further charges when they are due.

I understand that the enrolment is for the full school year and that tuition fees are payable in advance according to the school's regulations and that no refund of tuition fees is possible in case of temporary absence or if my son/daughter is dismissed from the school for reasons of non-compliance with the school's regulations or in the case of leaving school.

Note: Term fees will not be returned and must be paid in full no matter at what date the student joins or leaves school. Fees are set for all private schools by the Ministry of Education and are annually subject to revision.
