

PERFORMING ARTS ENSEMBLE

Music changes lives!!

Performing Arts Ensemble is a group offered after school for interested sixth, seventh and eighth graders. It is a great opportunity to make friends while performing great music.

Rehearsals are once a week on Wednesdays after school. Our first rehearsal is Wednesday, October 13th. Since we are a performing group, we do have one performance a semester in the evening for our parents and friends. Other performances are scheduled throughout the year.
