He asked if there was a specific board member who put the resolution to the Governor on the agenda.

Rich Boslet, resident, asked what the Board Policy is if a student has COVID.

A resident asked why there were transfers in and out of the same health benefits account. Dr. Bragen responded that the health benefits transfer was a timing issue.

IX. COMMITTEE REPORTS

1. Township Liaison Committee

The Township Liaison Committee met on July 20, 2021 at 11:00 a.m. at the Education Center.

In attendance were: Council VP Sam Joshi, Councilwoman Joyce Ship-Freeman, Councilman Ajay Patil (via ZOOM), BOE VP Mohin Patel, BOE Members, Biral Patel, Virginia White and Superintendent Dr. Bernard Bragen. In addition, Dr. Edward Alderelli, Director of HR for the BOE, and Patrick Kissane, Director of School Safety and Security, were in attendance.

Also in attendance, via ZOOM, were Mayor Thomas Lankey, Deputy Fire Chief/OEM Coordinator Andy Toth, Assemblyman Robert Karabinchak, and Benjamin Ghiano (Aide to Assemblyman Karabinchak).

Items Discussed:

- Assemblyman Karabinchak was the first to address the group. The Board asked about the availability of Turf Fields for school fields. In the past, the county provided them for different sport fields. The condition being the fields must totally open for the public to use. The Board does not have an issue with that condition at all. It seems that the program changed and the County can no longer support any Board of Education property fields. Assemblyman Karabinchak proceeded to speak about additional state funding for school projects via the CARES Act. These monies have already been utilized in the District. Assemblyman Karabinchak mentioned a pilot program for Electric School Buses. He stated that the Bill was passed and said there is a program for athletes who sustain concussions. Dr. Bragen stated that the Board of Education already has a concussion protocol in place.

- Mr. Biral Patel asked if Edison will be part of the pilot project with Electric School Buses. Assemblyman Karabinchak said they are still waiting for state authorities to make a decision and spoke of a new bill for school energy efficiency stimulus to reduce power consumption.
- Edison Art Society – Ms. Gloria Dittman provided the Committee with an update. She is working along with Ms. Jennifer Blevins, Principal of Woodrow Wilson Middle School, and Mr. William Kolibas, Director of Buildings and Grounds, on the planters outside of Woodrow Wilson Middle School. The planters are huge and were in need of attention. When the project is completed, it will be a wonderful addition to the building. Ms. Dittman added that there are four murals in different parts of the Township, with more to come, as well as Amboy Avenue's unique pianos. Lastly, there is an exceptional display of art on the second and third floors of the Municipal Building and also at the Menlo Park Mall.
- Properties – Mayor Lankey provided the Committee with an update on Stelton School and Kilmer properties. He stated that there is good news regarding Stelton School. There is nothing standing in the way for the town to transfer the property to the schools and will recommend that the Town Council approve the property transfer. The Town Council will have to approve the transfer. It should be on their agenda for the August Council Meeting.
- The Kilmer Property, right now, is limited to parks and recreation. That needs to be changed before moving forward. The Mayor suggested having the Township Attorney speak with the Board of Education Attorney. Dr. Bragen will facilitate this. Furthermore, the question of potential contamination keeps arising. The Township is still attempting to locate studies.
- Dr. Bragen asked if the William Toth Health Center is still available and if that includes the fields behind the building. The Mayor confirmed that it is. Mr. Joshi inquired about the size of the area. Mayor Lankey thought it is approximately 4 acres. Dr. Bragen stated that the Board of Education is interested in possibly purchasing this property.
- COVID-19 Update – Deputy Chief Toth provided the Committee with a COVID-19 update. He indicated that Pfizer is the vaccine approved for people as young as 12 years of age. Mr. Jay Elliott, of the Edison Township Department of Health, is also working on this project. In addition, Deputy Chief Toth updated the Committee on the meeting with Ms. Ship-Freeman and Dr. Bragen and the plan to present an educational program for both High Schools in the fall regarding careers in the fire department.
- School Crossing Guards – Councilwoman Ship-Freeman researched some of the concerns regarding School Crossing Guards' absences and coverages. The Auxiliary Police cannot be used in that capacity. Mr. Kissane stated that the crossing guards are part of the police function. School security guards have duties inside the buildings and on school grounds.
- A Lengthy discussion followed. Dr. Bragen suggested that since there is a shortage of guards, possibly an increase in hourly pay is necessary. Mr. Mohin Patel asked if the possibility of volunteers can be an option. Mr. Joshi said he is not opposed to exploring the option of paying added benefits, ie: vision or dental, for motivation. Mayor Lankey said he would come up with a proposed plan to increase crossing guards. Most importantly, school crossings must be covered.
- Mr. Kissane provided background information on how the District decided to hire its own security officers instead of using Class 3 police officers from the Township. The bottom line was the significant savings from using Township police. Additionally, the District could retain more control over the security officers in this manner. He gave a complete update on school safety and security. He answered many questions and addressed many concerns.

The next meeting will be held on September 14, 2021 at 11:00 A.M. at the Education Center.

A resident stated they were overall impressed with the Board of Education.

Joyce Ship-Freeman, resident, discussed crossing guards and felt the vaccine should not be a political issue. She questioned the need for a preschool on the south side of Edison.
