

The Wildcat Zone

Be Respectful, Be Compassionate, Be Great

Meet Our Principal

Mr. Reginald Elzy has been the principal at Woodland Park Magnet School for the last four year and in education for twenty-eight years. He enjoys weight lifting, watching television and riding his motorcycle in his spare time. He is married with two sons. One day he would love to travel with his family to Italy. Basketball is his favorite sport.

Macaroni & Cheese Recipe

Ingredients for 4 servings

1 cups of milk
2 tbs. of margarine or butter
1 lb. elbow macaroni dry
2 cups of shredded cheddar
cheese

Preparation

1. Boil water in a medium saucepan.
2. Sir in the macaroni.
3. Boil the macaroni for 7 to 8 minutes.
4. Drain the macaroni
5. Return the macaroni to the saucepan.
6. Turn of the heat, and then add margarine or butter, milk and cheese. Stir until cheese is melted and pasta is evenly coated.
7. Enjoy

Our Custodians

National Custodian Day is October 5 this year. We would give a huge shout out to our custodians, Ms. Sandra Robinson, Ms. Joann Barton, and Tonoia Richardson. They keep our school clean and smelling fresh. These three women are irreplaceable. We are thrilled to call them Woodland Park's Wildcat Family.

The Season Autumn

Autumn (sometimes called fall) is one of the four seasons of the year and is the time of year that transitions summer into winter. Along with the tree leaves changing color, the temperature grows colder, plants stop making food, animals prepare for the long months ahead, and the daylight starts growing shorter.

Pumpkins

When I think of October, I think of pumpkins. Below are some fun facts about pumpkins:

- Pumpkin is a fruit, not a vegetable.
- Most pumpkins are orange.
- They grow on all continents except Antarctica.
- Almost all the parts of a pumpkin are edible.

Author: Christopher Cousain, Kindergarten

Important Upcoming Dates:
