OCTOBER

AES Engineers Scholarship

AES Engineering’s belief is that achieving a high grade point average should not be the only criteria for determining who deserves to be helped. For that reason AES is offering a scholarship that will be awarded on the basis of character, as determined by an evaluation of the essays that are submitted. Scholarships are intended for future leaders across a wide spectrum of fields of study. This award is available to high school seniors and all students attending a post secondary educational facility.

The student is not required to be taking Engineering courses to be eligible. Students must submit an essay of between 500 and 1000 words in answer to the following question: When you look

back on your life in 30 years, what would it take for you to consider your life successful? What relationships or accomplishments will be important on this journey?

Deadline: October 8, 2021

(HSF) Scholar Program: Hispanic Scholarship Fund

The Hispanic Scholarship Fund (HSF) Scholar Program is designed to empower courageous young leaders of Hispanic heritage. The program helps ensure students achieve their higher education and career goals. Every year, 10,000 outstanding students are selected as HSF Scholars. While only some will receive HSF scholarships, due to funding limitations, all Scholars have access to HSF's full range of invaluable Scholar Support Services. HSF Scholar Support Services include mentorship, leadership development, career services, knowledge building, and wellness training. Career services include, but aren't limited to, access to internships and job opportunities with HSF corporate partners. Scholarship awards are based on merit; amounts range from \$500 to \$5,000, based on relative need, among the Scholars selected.
