Rules of Order and Procedure

[Rules of Order and Procedure](#) were reviewed. Recommendation was made to define term of service as two years. Modify the following:

If a parent member is absent from two consecutive meetings, the chair may notify the member that if the member does not attend the next meeting, the council may consider the seat vacant and the remaining parent members may appoint a parent to fill the unexpired term.

To

If a parent member is absent from one meeting, the chair may notify the member that if the member does not attend the next meeting, the council may consider the seat vacant and the remaining parent members may appoint a parent to fill the unexpired term.

Elections

WWW.SLCSE.ORG

SCC had more members apply than available seats. We are holding elections. The information will go out to all families electronically and materials will be translated. Elections will be open for 10 days. All are still welcome to attend and participate in meetings even if they don't win a voting seat.

Positive Behavior Plan

Positive Behavior Plan was shared with the Council. Ashley went over all the services and activities that we offer at the rose park site. SCC asked questions and provided input. How are programs being measured for effectiveness? Many of our programs are through community partnerships and they monitor effectiveness and share data. Do students know about all programming? Not necessarily. We communicate openly about some programming. Some programs operate solely through referrals. Student Service Council meetings are held twice per month. Student needs are discussed and referrals often come from here. Counselors, admin, and teachers can also refer students for programs.

LAND Trust

Current LAND Trust plan was shared.

Parent Compact

Parent Compact was shared. Compact was created by parents, students, and teachers. Feedback and input is always welcome.

Admin Updates- Britnie

Issues of Interest

- Communication on activities- concern over the website being out of date. SLCSE rolled to a new website over the summer. Old website was still active but not up to date. The old website now has no information except the link to the new website. Be sure website is up to date with all activities and trips. For trips include information on who is going on that trip (grade level, class, etc).
- On Canvas, it would be so helpful for parents if grade level teams were consistent on DUE dates and DO dates.
- Students would like a gender neutral bathroom that is multi-stalled.
- Increase opportunities for concurrent enrollment.
- Graduation Progress Tool- teach parents about this and make sure it is enabled for all students.

To promote ethical behavior and civil discourse each council member shall:

- Attend council meetings on time and prepared
- Make decisions with the needs of students as the main objective
- Listen to and value diverse opinions
- Be sure the opinions of those you represent are included in discussions
- Expect accountability and be prepared to be accountable
- Act with integrity
