### Mission Statement

AISD provides a program based on American educational principles to students from an international community.

We create an academic and social environment that challenges students to achieve their potential, become life-long learners and contribute to a changing global society.

### Vision Statement

Preparing students to become stewards of a just and sustainable world.

### COVID Statement

As of **August 2021**, we are pleased to announce that AISD is face-to-face, offering an exemplary and safe education for our students. The 2020-2021 academic year had a delayed start and proceeded to be taught virtually for the full year. AISD first moved to Virtual Learning on March 17, 2020 and the Government of Bangladesh shut down all schools one week later. At that time, families and teachers began to leave Dhaka but we had a core of 75% of students who stayed. For the remainder of that semester, classes were taught asynchronously as teachers quickly pivoted to meet the needs of the students and continued to deliver quality education. As you will see in this Profile, the Classes of 2020 and 2021 IB grades have remained consistent with previous years.

## School & Community

Founded in 1972, AISD was established by the U.S. State Department to serve diplomatic communities such as the United Nations and other international business communities, including many non-government organizations such as the World Health Organization, CARE, UNWoman, Save the Children and at least fifteen others. Thus, AISD strives to meet the needs of children coming to us from around the world from a variety of educational systems.

English is the medium of instruction in this Pre-Kindergarten to Grade 12 American-style university preparatory program. We offer English as an Additional Language (EAL) classes and maintain a strong Student Support Services program, following both the IB and American Diploma curricula. A little over 30% of the student population are resident Bangladeshi nationals.

## Grading System

AISD is a Standards Based Grading school. Grades reflect student understanding and mastery of skills acquired in each course using an A-NY scale. Grades are converted to a 4 point scale to obtain an overall average grade (i.e. GPA or Grade Point Average). GPAs are based only upon grades earned at AISD. The GPA is obtained by adding the point values of all letter grades, and dividing the sum by the number of credits earned.

**Students are not ranked and no class receives additional weight.**

Grade Point	Grade Point Value*
A	4.00
A-	3.70
B+	3.35
B	3.00
B-	2.70
C+	2.35
C	2.00
C-	1.70
D+	1.35
D	1.00
NY	0.00

\*AISD reports academic, conduct, and integrity issues/concerns of a serious nature.

## Service Learning

Service Learning is at the heart of our mission, as we strive to “contribute to a changing global society.” Due to the pandemic, our service learning groups have had to pivot but have remained engaged, looking for ways to serve the entities that they support. This was done primarily through fundraisers and drives to collect much needed hygiene and other items essential for day-to-day living.

True to the Tiger spirit, many students worked independently with those in need, depending on their level of comfort and safety restrictions. As we are face-to-face this academic year, we will look to broadening the student reach of this program once again.
