WHO'S WHO? STAFF

This month we decided to interview our new assistant principal, Mrs. Stevens.

WHY DID YOU DECIDE TO BE A PRINCIPAL?
I decided to become a principal after teaching for 18 years. I love working with teachers and students in all grades, so I decided to become a principal so I can spend my days with them every day.

Gun safety is very important to know, or you might harm yourself or others. If you are getting in a climbing tree stand, your gun should be unloaded and put on safety with a strap. The gun should be facing up and away from yourself or others. Only when you get in and sit down that is when you load it.

To get ready for deer season, you and your family can put corn out in a feeder to bring the deer in. You also could put up a deer cam, and you can check images taken by your cam to see what

WHAT DID ONE TOILET SAY TO THE OTHER?
YOU LOOK A BIT FLUSHED.

DO YOU ENJOY YOUR JOB, AND WHY?

Yes! I love my job! I love learning with the students and the teachers! I get to work with the best students and teachers in Mississippi! (Well, in the Universe really!)

WHAT ARE YOU MOST PROUD OF?

Honestly, I am proud of Puckett. Our students and teachers at Puckett elementary always work hard and do their best. We are continuously growing, learning, and accomplishing new things together.

DO YOU THINK YOU WOULD CHANGE WHAT YOU DO AT THE SCHOOL AND WHY?

No! I would not change anything. Everyday is something new and exciting. We have fun learning together and we are like family here at Puckett. I love my Wolfpack family.

MEET THE WOLF PACK NEWS WRITERS

MASON SANDERS

I play baseball, and I am a catcher. I am number 99. I also play football. I'm number 64. I thought about making a school newspaper because I thought that it would be a cool thing for kids to read at our school.

KYLEIGH STEVERSON

I love cheer, and I like to hang out with my friends. I am so excited to be a part of the newspaper.

BRAYDEN TULLOS

I am 11 years old. I love playing baseball and football. I'm number 8 in football and 9 in baseball. I'm super excited to be a part of the Puckett news crew.

MARLEY WILSON

I play softball and I like to play with my dog. I am so happy to be on the news crew.

This month, we featured Chris Carter as our Spotlight Writer. He is a 6th grader on campus who loves hunting, fishing, and being outdoors. Next month, Eddie Parker, another fellow 6th grader, will be informing us about his favorite video games and the importance of being cyber safe. Other writers who have presented ideas to us include Carter Pinkerton (fishing), Suttyn May Therrell (horseback riding), and Case Weatherall (off roading or cars.) Sixth grader, Trent Houston, thought it might be cool to create a comic strip for the next newspaper too. If you have an idea for an article, please see a Newspaper team member. We would love to spotlight many PES students in all different grade levels.
