

# HONOR SOMEONE SPECIAL WITH A BOOK DEDICATION

The "Friends of McGaugh Media Center" program is a special way to honor someone on a birthday, a holiday, for a special achievement such as an award, promotion or just for fun!

The McGaugh Media Center has added over 2000 new books through dedicated book donations. To donate a book to your special someone, complete the bottom portion of this flyer and return it with your \$25 check to the school office or Media Center. Make check payable to: **McGaugh PTA.**

The book will be read aloud by one of McGaugh's Book Jesters to honor the recipient. A bookplate with a special message will be placed inside the book, and a thank you card will be presented at the time of dedication. The dedicated book can be enjoyed at home for one week and then is returned to remain in the Media Center. A selection of books are available to choose from in the parent resource room in the Media Center.

**IMPORTANT: Please allow at least 3 weeks for Processing. The target dedication date cannot be guaranteed!** The dedication will take place as close to the target date as possible based on classroom teacher's time restraints and Jester volunteer availability.
