Curriculum

All high school students are enrolled in a college preparatory program. All junior and senior level courses are taught at the IB Diploma level; however, students have the choice between obtaining the IB Diploma, IB Course Certificates, and the American High School Diploma. Currently, 74 out of 81 seniors are IB Diploma Candidates. Students are required to complete 50 hours of community service during their freshman and sophomore years. ASM is a technology-focused school with a one-to-one laptop program from grades 6-12.

International Baccalaureate

ASM strongly believes in offering a balanced, demanding curriculum which is highlighted in our International Baccalaureate Diploma Program. The program emphasizes rigorous college preparatory classes, where external testing is required at the end of the two-year program in six subject areas. These areas include: Language and Literature, Language Acquisition, Individuals and Societies, Sciences, Mathematics and the Arts. IB grading is distributed on a 1-7 scale, with 4 representing a passing score (equivalent to a C+) and 6 and 7 representing outstanding work (equivalent to an A and A+, respectively).
