11 distinct courses taught on campus

NATIONAL MERIT:

Numbers reflect pervious year
 - Commended - 3
 - Semi-Finalists, 3
 - Finalists, 0

ENROLLMENT (2021)

Freshmen -503 Juniors -525
 Sophomores -570 Seniors -547

PROGRAMS OF STUDY:

SBHS offers diverse programs and unique academies. These smaller learning communities are designed to link academics with specific skills for college bound students.

DUAL ENROLLMENT WITH SANTA BARBARA CITY COLLEGE

An extensive Dual Enrollment Program with Santa Barbara City College offers college credit in the high school setting. A range of academic and Career Technical Education courses are taught on the SBHS campus by SBCC professors and SBHS teachers who are qualified adjunct SBCC faculty.

Additionally, SBHS students, with high school approval, are eligible to enroll in courses on the college campus. For more information about the Dual Enrollment Program, visit: www.sbcc.edu/dualenrollment. Students are encouraged to explore opportunities at SBCC, both to take classes not offered at the high school, and also to open up options within out school master schedule.

ATHLETICS:

Santa Barbara High School offers a wide variety of athletic teams across the Fall, Winter, and Spring Seasons.

Girls: Beach Volleyball, Cheer/Stunt, Cross Country, Basketball, Golf, Lacrosse, Soccer, Softball, Swimming, Tennis, Track & Field, Volleyball, Water Polo, and Wrestling.

Boys: Cross Country, Baseball, Basketball, Golf, Lacrosse, Soccer, Swimming, Tennis, Track & Field, Volleyball, Water Polo, and Wrestling.

COLLEGE & UNIVERSITY ADMISSIONS:

Based on an average from the previous three graduating classes data (2018, 2019, 2020)

- Attending 2 or 4-year schools: 74%
- Attending 2 year schools: 48%
- Attending 4 year schools: 26%
- Other (Military, Gap Year, Employment): 25%

Because our local community college, Santa Barbara City College, now offers its SBCC Promise program (which provides two years of free tuition, books and required materials), we have had an increased number of students opting for SBCC as their post-secondary option.

SAT AND ACT RESULTS:

Based on reporting from testing agencies. Averages from all student test takers over the course of the year. SAT & ACT data may not be up to date due to less testing sites availability in relation to COVID-19.

ACT 2019 (Feb-Dec)	English	Math	Reading	Science	Composite
SBHS	23.4	23.4	25.2	23.1	23.9
CA	N/A	N/A	N/A	N/A	22.6

(109 tests taken)
