

St. Mark's
Cathedral School

2020-2021

ANNUAL REPORT

ST. MARK'S MISSION

The mission of St. Mark's Cathedral School is to value the individual who comes to us, to help that student to realize his or her potential, and to foster a culture that reflects Christian values, intellectual curiosity, and a strong work ethic. Our goal is to develop a student who feels self-confident educationally, socially, and spiritually, and can reach out to help others in our community.

MESSAGE FROM THE HEAD OF SCHOOL

Dear Parents, Grandparents, Alumni, and Friends of St. Mark's Cathedral School,

As we emerge from the 2020-2021 global coronavirus pandemic, all members of the St. Mark's community can look back with pride in what we accomplished and relief that the coming year will look much closer to normal. Thanks to the advice and assistance of our medical advisory committee and the hard work of our faculty and staff, we were able to offer in-person instruction for all students all year long, while also accommodating the needs of those students who needed to attend school virtually. Special events were reconceived and moved outside. Chapel was live-streamed with only one or two classes able to attend in-person, and masks were ubiquitous. But despite the challenges, our Lion spirit prevailed to make the 2020-2021 school year truly outstanding.

Halloween day marked the fourth annual Paw Print Sprint, which has become a very popular event for local runners and St. Mark's families. With a Fun Run and Trunk or Treat for children, beautiful weather for running through Highland, and an outdoor Book Fair with food trucks, the Paw Print Sprint brought smiles to all who participated and raised \$37,841 for the SMCS Parents' Club. Thanks to Kristen Renda and Alysha Wallace for their outstanding leadership once again and to all the businesses and individuals who were sponsors!

The Parents' Club continued efforts to foster a sense of community and family fun by folding Fiesta, our annual gala fundraiser, into Field Day to create a fabulous family festival. Although some events had to be modified or relocated due to pandemic protocols, other activities were added, and the weather was once again truly glorious. From the Preschool Play Zone to the Spanish dancing to tug-of-war on the Big Field, it was a marvelous day, and the combination of the online auction and sponsorships raised \$72,731 for the school. Thanks to co-chairs Meghan Wood, Valerie Gamble and Susannah Hodges.

The Parents' Club also continued its tradition of selling Christmas greenery and poinsettias. Additionally, the Parents' Club sold gift wrap and opened a Spirit Store to sell keepsake St. Mark's ornaments, plaques, and SMCS attire. Those projects raised \$24,906. All the funds raised by the Parents' Club go to pay for textbooks, technology, professional development for teachers, and special events to build community for students and parents. We simply could not do all that we do without the work and generosity of our Parents' Club. A huge thank you goes to Parents' Club President Valerie Gamble and all the officers and committee chairs who worked so hard in this very challenging year!

In addition to those funds, the school solicits gifts to the Annual Giving Campaign to help fill the gap between the tuition and the actual cost of a St. Mark's education. In the midst of the pandemic and the economic challenges it created for so many of our families, we had our highest overall participation rate in years and received generous donations of \$126,962. Thank you to Development Director Kim Carter and Annual Fund Chair Megan Campbell and to every family who donated to help support our school!

Throughout this past year of covid-time, we were all often reminded, "We're all in this together." That was as true for St. Mark's as for the rest of the nation and world. Thank you to everyone who supported our school by adhering to new protocols, showing patience for challenges we faced, and supporting our school so generously. It is an honor to present our Annual Report in recognition of your generosity!

Gratefully Yours,

Chris Carter D.Min.
Head of School

MESSAGE FROM THE ANNUAL FUND CHAIR

Dear St. Mark's Family and Friends,

As we begin the 2021-2022 school year, we are reminded of how fortunate our children are to attend a school that is filled with so many amazing people. Thanks to all of the families, grandparents, friends, alumni, and teachers/staff of St. Mark's Cathedral School, our children are provided a state-of-the-art education. So many stepped up during the continued hardship of the pandemic and together we raised \$126,962. We are proud to say that 100% of our faculty and staff gave to the Annual Fund and 85% of our parents participated. We are so appreciative to our many donors who continue to believe in our school. It truly takes everyone to come together to ensure the future stewardship of St. Mark's Cathedral School.

Thank you for your generosity!

Sincerely,

Megan Campbell
2020-2021 Annual Fund Chair

2020 PAW PRINT SPRINT

Co-Chairs: Kristen Renda and Alysha Wallace

Nearly 600 registrants attended our fourth annual Paw Print Sprint on Halloween. The event began with a half-mile fun run, followed by a 5K road race through the Highland neighborhood. The family-friendly festivities continued with a Halloween-themed post-race party featuring a trunk or treat, a costume contest, food trucks and snacks, music, a book fair sidewalk sale, and a patch of decorated pumpkins on display for all to enjoy.

2021 FIESTA FIELD DAY

**Co-Chairs: Valerie Gamble, Meghan Wood,
Susannah Hodges**

On May 7, we held our inaugural Fiesta Field Day, a family-friendly version of our annual Fiesta auction held in conjunction with Field Day. The day began with our traditional Field Day events for Lower and Middle School students while Preschool students enjoyed train rides and inflatables. Middle School Spanish students then performed dances, followed by the much-anticipated tug-of-war competition. The family festival continued with music, food trucks, concessions, and more. Plus, parents and faculty were able to bid on in-school experiences and other auction items through an online auction.
