Verification

Verification is a process in which Grossmont CC confirms the accuracy of information provided on the FAFSA. Verification is a federally mandated program to ensure accuracy in the administration of federal financial aid.

If you are selected for verification, Grossmont CC will notify you via your university email address. Submit the requested items promptly (within 45 days) or risk losing consideration for some financial aid programs. If you are required to provide your taxes, you can update your FAFSA using the IRS Data Retrieval Tool <https://studentaid.gov/re-sources/irs-drt-text>. If you are unable to use the Data Retrieval Tool, you must provide an official IRS tax return transcript. There are three options to get an official tax transcript: Visit www.irs.gov to request a transcript online or by mail; make sure to request an "IRS Tax Return Transcript." The "IRS Tax Account Transcript" cannot be used for verification purposes. Call 1-800-908-9946, Submit IRS Form 4506T-EZ, or IRS Form 4506-T.

Requested items needed for verification will be listed in the To Do List task of Grossmont CCCMyPath. All your federal and need-based aid will be on hold until verification is complete. Once verification is complete, your To Do List will be updated. Grossmont CC may adjust your financial aid package based on the results that were determined through the verification process.
