Purpose of the School Site Council

The purpose of the School Site Council (SSC) is intended to be a consultation, recommending, and oversight body for the Local Control Accountability Plan (LCAP). The SSC also obtains recommendations for, and review of, the proposed Single Plan for School Achievement (SPSA) from all school advisory committees. The SSC represents all stakeholders of the school community to get their input. The school Directors, teachers, other school personnel, parents and students (secondary level) make up this group. Their primary responsibility is to help identify school-wide priority goals and to assist the leadership team in establishing a plan to achieve the goals. ¹
