

# Steps to add Advantage Math Strands to Books on an iPad.

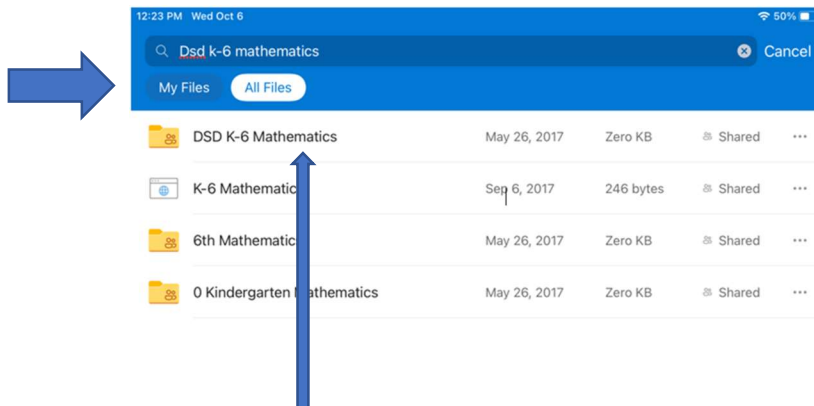

1. On your iPad install:

- Microsoft OneDrive 
- Apple Books 

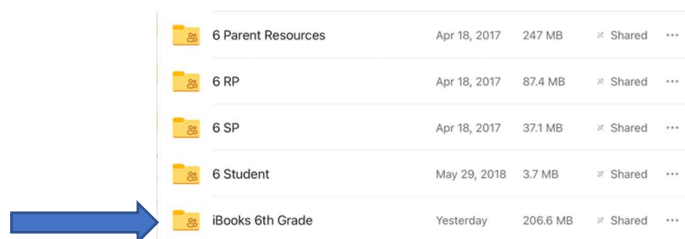

2. Once both are installed on the iPad, open OneDrive:

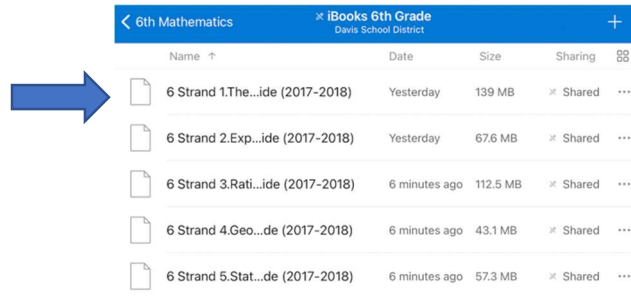

3. Search for DSD K-6 Mathematics
- a. Choose "All files"

4. Open DSD K-6 Mathematics
- a. Choose desired grade level folder
  - b. Open iBooks folder

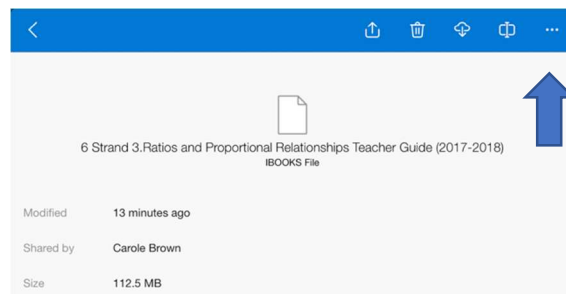

5. Select the file you want:

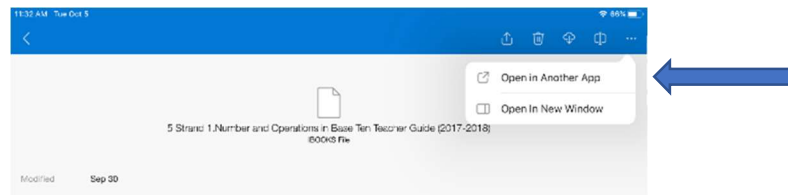

6. On next screen choose to open it to another App:

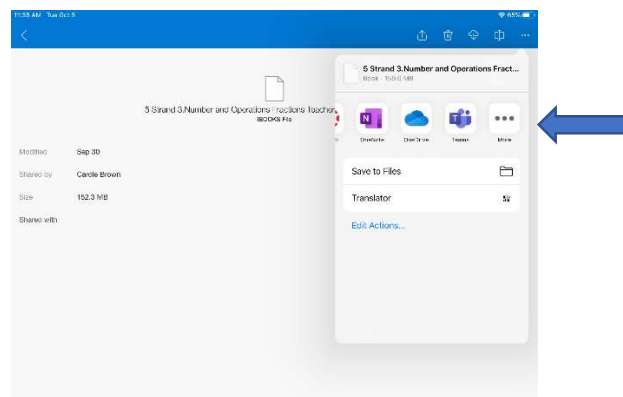

Choose the More Dots ...

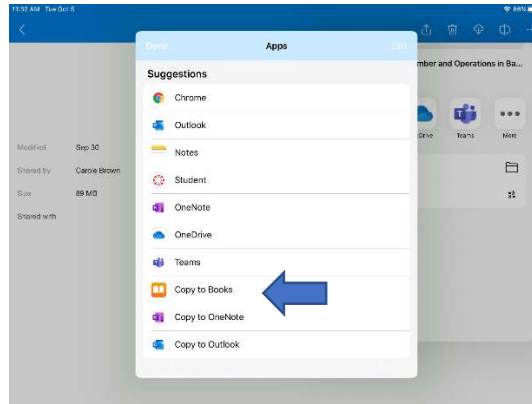

7. Select 'Open in Another App'

8. Scroll to the right to find another set of more dots ...

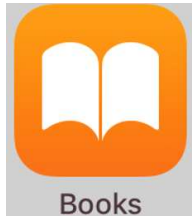

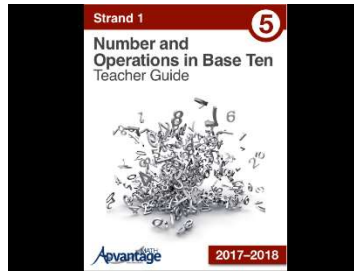

9. Select 'Copy to Books' or choose 'Books' if you already have it available:

This will take some time, a minute or two. Then you will get the main screen of the book.

Example:

10. Close it all out and open **Books** where you should see the iBook(s) you just imported.
