OUTDOOR WARNING SYSTEM

On-site, audiovisual safety and lightning warning integration for total peace of mind.

Protecting our Students & Community

Starting Fall 2019, all Ascension Public Schools outdoor athletic events will comply with new Lightning Safety Guidelines. High school and middle school coaches, athletic trainers and principals are equipped with an alert app with real-time weather and lightning notifications. Additionally, the four high schools' athletic practice fields and game stadiums now have weather stations with outdoor warning sirens

For Your Safety

Ascension Public Schools is equipping each high school with a state-of-the-art outdoor warning system and middle schools with a detection app.

LIGHTNING STRIKE PROTOCOLS:

WATCH

10-30 MILE RADIUS

Ascension staff are closely monitoring the weather.

WARNING

8-10 MILE RADIUS

Ascension staff notify officials and personnel.

ACTION

0-8 MILE RADIUS

All play is suspended for 30 minutes. Seek shelter immediately.
