

THE FUTURE IS NOW

2020 BOND EXTENSION FOR SCHOOL CONSTRUCTION

On August 15th, the Ascension Parish School Board is asking voters to extend an existing 15.08 mills to fund designated construction projects and improvements across the district.

The proposal includes a much-needed high school, updated classrooms and athletic facilities, and other major improvements. The dedicated millage has supported capital improvements for 40 years.

By extending the existing millage, voters will enable Ascension Public Schools to borrow \$140 million for school improvements and projects at **NO increased millage rates.**
