

The Pumpkin Book Project!

It is time for our ninth annual CAE Pumpkin Book Project! This project is voluntary but can be tons of family fun. Just purchase a pumpkin and decorate it as your favorite book character. Please only use fake pumpkins since they will be on display in the school for two weeks. You can paint it, use carveable foam and add lots of fun extras (Google and Pinterest have great ideas).

Pumpkins will be turned into the library on Monday, October 18th. All students will get a chance to vote for their favorite during the two weeks pumpkins are on display. There will be great prizes for first, second and third place winners given out on Friday, October 29th. All pumpkins will be sent home with students at the end of that day. Please remember, all pumpkins will need to be carried in and out by students.

If you would like to participate, please return the back side of this form, along with your pumpkin character, to the library on Monday, October 18th. We cannot wait to see what you have created!
