### Free School Lunches

Lunches will be free again for all students during the 2021-22 school year due to the pandemic

We highly recommend parents still fill out applications for free and reduced lunches for the following reasons:

- For title money.
- Parents could possibly receive additional PEBT money.
- It can reduce costs of other programs such as cable., power bill, and some club sports.

The best way to fill out an application is by using the parent portal.
