

**Public Performances by Students**

The Bethany Board of Education (Board) recognizes that worthy educational values may be served by student participation in civic and community events when such performances contribute to the educational process and objectives of that particular class and when they do not interfere with other classes or activities within the school. Student participation in appropriate civic and community affairs is encouraged. School groups and individuals may, with the permission of school administration, participate in local public events which fall into the following classifications:

1. Events sponsored by the school. Educational events in which the school serves as host shall have priority.
2. Community functions organized in the interests of the school, such as those originated by the PTO or other parent group.
3. Non-commercial civic occasions of community, state, or national interest of sufficient breadth to enlist general interest and cooperation.
4. Events that are primarily patriotic in nature, such as Veteran's Day.
5. Charity benefit activities, provided such has activities have been specifically approved in advance by the Superintendent or designee.
6. Programs sponsored by established character-building agencies, or programs sponsored jointly by the Bethany Public School District and mass communication media, of a public nature.

School groups may not participate in events that fall into any of the following classifications. In questionable cases such requests for participation shall be referred to the Superintendent for review and approval:

1. Events that are for the purpose of private gain or for the advertising of any commercial project or product. A school name, the names of school-sponsored groups, or school equipment shall not be exploited in commercial events.
2. Events that are for furtherance of any politically partisan interest. In questionable cases, the matter shall be referred to the Board.
3. Events that further any specific religious concern.
4. Events which cause undue interference with regular school programs, or which cause excessive absences for rehearsals or preparation.
