

Dear Parents,

Aloha and welcome back to another exciting year of Lady Winged Lions Basketball. We are all looking forward to a competitive season where we will be building on the many accomplishments of the last several years for our program. Returning some strong players from last year's roster and welcoming a great group of new players to the program, this stands to be a banner year for the Rowland Hall Women's Basketball Program. Additionally, I feel blessed to have our coaching staff remaining intact for yet another year. Ashlee Ostler and Dr. Stacy Martin will be back for our tenth year together, keeping a wealth of hoops knowledge, experience, and unwavering character resident in our outstanding basketball program. We are all looking forward to the season and can feel the excitement starting to build as our official start date approaches.

So in preparation, I want to announce our **mandatory parent meeting, which will be held at 6 p.m. on Thursday, November 4th via Zoom, a link to be sent out to you prior to the meeting.** Additionally, please remember that all required forms, including a "Form A" physical, must be submitted to the athletic office prior to November 1st. You can access all of these forms through the "Register My Athlete" site. The instructions for Register My Athlete are included in the email attachments. I have also included my basketball philosophy and expectation statement on this site for you to review. I want to ensure that coaches, parents, players, and support staff are all on the "same page" as we start the season. It is important that everyone understands our team goals, the coaching staff's expectations, and the "way forward" before the season begins, so we can all successfully navigate this exciting, yet different 2021-2022 basketball season together. Please review the attached game schedule to ensure everyone is informed of game requirements, including the dates for the state tournament this February which happens during the school's February Break—please plan accordingly.

While this year will continue to bring with it increased Covid precautions and policies and procedures to follow, this season is sure to be a lot of fun for everyone involved! I look forward to seeing you all on November 4th...A big mahalo to everyone, and go Lady Lions!

Respectfully,

W.J. Tatomer Jr.
