

October 7, 2021

Dear SUPER School Parents and Students,

The SUPER School Board of Directors is pleased to announce that Megan Vite has been selected to be SUPER School's new Head of School, effective October 11, 2021.

As you all know, Mrs. Vite stepped in as interim school leader at the beginning of this school year. We have been so thankful for her leadership during this time of the board conducting a full search for our next leader. As we have done our due diligence in this search process, we have seen Mrs. Vite's dedication to Action Based Learning and rigorous academics. We have seen and been impressed by her insights into leadership. And we have seen her dedication and passion for supporting you and your children as they learn and grow.

Please join us in congratulating Mrs. Vite on her selection as the Head of School. We are truly excited to see what the future holds for SUPER School under her leadership.

Sincerely,

Joseph Gervase

*Board Chair*
