

Hopkins Public Schools

Juntos Spanish Immersion Program

2022-23 Application

GRADES 1 AND 2

I would like to submit an application to the Hopkins Public Schools Spanish Immersion magnet program. I understand that:

- The initial application period is open until January 18, 2022. All applications received by this date will be included in the initial placement process. The program will be offered at Eisenhower Elementary. Class sizes will range from 21 to 27 students and the number of available sections will be determined at a later date. A lottery system will be used if more children apply than the program can accommodate.
- Applicants who miss the January 18, 2022, deadline may still apply, but will be added to a waiting list based on date of receipt.
- Notification letters will be mailed no later than February 15, 2022. Families who are offered placement will have until March 1, 2022 to respond. A signed acceptance letter will be required.
