PARENTING FOR ACADEMIC SUCCESS

Description of Parent Engagement Workshop:

In this workshop, parents, guardians, and other educational stakeholders, will learn various strategies and tools in an effort to engage their child(ren) in the learning process, in an effort to foster academic success in the classroom. Strategies and tools for helping parents and guardians to ensure student academic success will be presented at the different bands of a child's academic career including preschool, elementary, middle, and high school levels.

TOPICS PRESENTED:

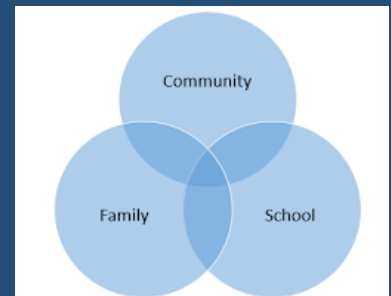

—
Fostering a rich learning environment

Communicating and collaborating with teachers

Strategies for assisting students with completing schoolwork

—
Support students with management of time and workload

—
Identifying community resources to support success
