Empowering every child, every day to create a better world

2021/22 COVID-19 Protocols for Volunteers/Visitors/Mentors (Aligns with CDPH Guidance for Schools)

1. Limit nonessential visitors, volunteers, and activities involving external groups or organizations with people who are not fully vaccinated, particularly in areas where there is moderate-to-high COVID-19 community transmission.
2. Schools should not limit access for direct service providers but can ensure compliance with school visitor policies.
3. Anyone who has symptoms of infectious illness, such as flu or COVID-19, should stay home and seek testing and care.
4. Volunteers must show proof of vaccination or a weekly test.
5. Indoors: all adults must wear a face covering and practice social distancing*.
6. Outdoors: masks are optional but encouraged. Practice social distancing*.
7. Field Trip volunteers/chaperones must provide proof of vaccination or a negative test within three school days. No volunteers will ride the bus with students, or provide transportation, unless they provide proof of vaccination and have administrator approval. All above guidelines for face coverings and social distance apply to field trip chaperones.
8. All visitors/volunteers must register in the school office and be cleared through the district's Raptor System (Board Policy 1250).

*An individual is considered a close contact if unvaccinated and within 6 feet for more than 15 minutes of a COVID-19 positive person.
