

# MEET THE ASSISTANT PRINCIPAL

Hello! I'm Larissa Parker!

I have been assistant principal at Sato since the 2019-20 school year. I started in the Beaverton School District in 2016 as Student Success Coach at McKinley Elementary. In 2018, I became assistant principal at Rock Creek Elementary and was there for 1 year prior to coming here, to Sato.

I was born and raised here in Beaverton and am a proud product of Beaverton School District. I attended McKay, Conestoga and Beaverton High School. After high school, I attended University of Arizona on a dance scholarship, receiving my Bachelor of Fine Arts. I moved to Reno, NV where I danced professionally with Sierra Nevada Ballet, while getting my Masters in Education and teaching 1st through 4th grade.

I have served in several different roles in education, from a 1st-4th grade teacher, district and building level instructional coach, student success coach and assistant principal. I have worked in 3 different districts, Washoe County School District in Reno, NV, Hillsboro School District and of course, Beaverton School District.

My husband is a landscaper and is a former professional ballet dancer as well. I am mama to Henry who is 1 years old and Jameson who is a 2nd grader.

**When working with children, I believe in:**

The power of positive relationships  
and that the words we use matter!
