Halloween Costumes

As you begin planning for costumes to wear during our Halloween
parade, please be advised of the following school rules:
No Blood, No Weapons, No costume masks

Hello Clemens Families,

PE NEWS

This week in Physical Education class we worked on a lot of skills using bean bags. Students tossed them and caught them, students slid them along the floor using an underhand motion and dodged them in a game called bean bag slide tag. Students practiced the underhand throw to floor targets such as hula hoops, then with a partner and finally played an underhand throwing game called "frog pond". Students in small groups of 3 and 4, in turn, toss Frog (the bean bag) standing on a lily pad (poly spot) attempting to land the frog in the pond (bucket in the center of the gym). Thursday we performed the chicken dance and practiced individual jump rope. I look forward to another fun-tastic week of physical education next week!

Mr. Burnett
