

## **16 to 19 tuition fund**

### **Overarching principles**

- Bilton School has been allocated £2,932 in extra support for 16 – 19 education due to the impact of small group tuition.
- This extra money will be spent to support students based on the eligibility criteria below.

### **Background to the 16-19 tuition fund**

Additional funding for the academic years 2020 to 2021 and 2021 to 2022 for schools, colleges and other 16 to 19 institutions to mitigate the disruption to learning arising from coronavirus (COVID-19). The funding was set up in 2020 to provide and support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted. For example, vocational courses where assessment has been deferred because of lockdown and has now been extended to include students who are of economic disadvantage. Although the actual tuition does not need to be for GCSE English or maths, the students supported all need to be those who had not achieved grade 5 or above in at least one of those subjects at this level by age 16. All supported students must be on a 16 to 19 study programme. The funding should be used to support the tuition activity above and beyond the programmes of education already planned for 2021 to 2022.

### **How Bilton school intends to use the 16-19 tuition fund**
