THE POLICY

The Salt Lake City School District Board of Education is committed to providing a safe and healthy environment for all district employees and students. To that end, the district will comply with all occupational health and safety standards including training its employees, and, when applicable, providing age-appropriate instruction to students; implementing practices of exposure control that align with Universal Precautions; responding to and reporting exposure incidents; and keeping detailed records of cases of exposure.

The purpose of this policy is to eliminate or minimize the risk to the district community from occupational exposure to bloodborne pathogens or other potentially infectious materials.

No district employee or student shall be subjected to discrimination in employment or any district program or activity on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status. The district is committed to providing equal access and equal opportunity in its programs, services and employment including its policies complaint processes, program accessibility, district facility use, accommodations and other Equal Employment Opportunity matters. The district also provides equal access to district facilities for all youth groups listed in Title 36 of the United State Codes, including scouting groups. The following person has been designated to handle inquiries and complaints regarding unlawful discrimination, harassment, and retaliation: Tina Hatch, Compliance and Investigations/Title IX Coordinator, 440 East 100 South, Salt Lake City, Utah 84111, (801) 578-8388. You may also contact the Office for Civil Rights, Denver, CO, (303) 844-5695.
