THE POLICY

THIS POLICY MUST BE PUBLISHED ANNUALLY IN ALL STUDENT AND EMPLOYEE HANDBOOKS.

The Salt Lake City School District Board of Education is committed to providing a working and learning environment free from harassment, discrimination, sexual harassment, and retaliation. The board values diversity among its students and employees. Accordingly, no otherwise qualified person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to unlawful discrimination in any district program or activity on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status (Protected Classes).

These protections apply to students, employees, and other members of the public. The district is committed to providing equal access and equal opportunity in its programs, services, and employment including its policies, complaint processes, program accessibility, district facility use, accommodations, and other Equal Employment Opportunity matters. The district shall operate as an equal opportunity employer and will provide and safeguard the opportunity for all persons to seek, obtain, hold, and advance in employment within the district without discrimination. The district will also proactively recruit underrepresented groups, including women, minorities, people with disabilities, and eligible veterans. Employment decisions shall be based on job-related qualifications and competence.

The district also provides equal access to district facilities for all youth groups listed in Title 36 of the United States Code, including scouting groups.

The district prohibits any individual from engaging in discrimination, harassment, and sexual harassment. The district also prohibits retaliation against individuals who, in good faith, report potential violations of this policy, file a formal complaint, or participate in the investigative process. In addition, it is a violation of this policy for any district employee to not report harassment, discrimination, sexual harassment, or retaliation to the appropriate individual. Violations of this policy may result in discipline for both students and district employees.

The purpose of this policy is to promote working and learning environments that are free of discrimination, harassment, sexual harassment, and retaliation, and to affirm the district's commitment to non-discrimination, equity in education, equal opportunity for employment, and affirmative action.

Students or employees who believe that they have been subjected to unlawful discrimination, harassment, or retaliation should report the incident immediately to the school principal, department supervisor, or designee, as outlined in the G-19.A administrative procedures accompanying this policy. Complaints will be investigated with fairness and reasonable speed.

Individuals who believe that they have been subjected to sexual harassment should report the incident immediately to either a school's Deputy Title IX Coordinator or the district's Title IX Coordinator, Tina Hatch, as outlined in the G-19.B administrative procedures which accompany this policy. All complaints will be investigated with fairness and reasonable speed.

Refer to Board Policy G-20: Bullying, Cyber-bullying, Hazing, and Abusive Conduct Prohibited, and its associated administrative procedures for guidance on those issues. Board Policy G-20 pertains to both students and employees. Board Policy S-3: Student Conduct and Discipline, and its associated administrative procedures describe student rights and responsibilities. Employees should consult the appropriate employee handbooks and/or negotiated agreements for a description of their rights and responsibilities.
