Table Sessions

Table Questions for Discussion

Our SLUH Alumni community contains over 15,000 Jr. Bills. We live all across the globe, and work within almost every industry. At your tables, please take the next 10-15 minutes to discuss the following questions:

- How can we better connect our 15,000+ alumni with one another? What resources, events or programs can help?
- In what ways would our Alumni Board need to grow or change to make these things possible?
