Dear Parent/Guardian:

We are excited to announce that Smile Pennsylvania, the mobile dentist, will return for another year to offer in-school dental care to our students.

Each child that signs up and is seen by the dental team will receive dental care based upon their individual needs, but services may include the following:

- Complete dental exam
- Dental cleaning
- X-rays
- Fluoride
- Sealants
- Restorative care when necessary

This in-school dental care is usually at no cost to you. All insurance is accepted including Medicaid and CHIP. For those without insurance, options are available through contacting your School Nurse.

Children who see a dentist regularly may have fewer health issues like:

- Early tooth loss due to dental decay
- Gum disease
- Heart disease
- Impaired speech development
