2022-2023 EMERGENCY TRANSPORTATION BULLETIN

Emergency Closures or School Delays:

The Issaquah School District utilizes multiple tools, including its website, text messaging, email and social media, to alert families in the event school is delayed or canceled throughout the year. **If families would like to receive text messages about school delays or closures they must opt in to this service. To opt in, please text "Y" or "Yes" to 67587.** Further details on website use, email notifications, social media channels and FlashAlert can be found on the opposite side of this pamphlet. To find out if your student's program is delayed or canceled in the event of inclement weather, please scan the QR code to the right or visit: <https://bit.ly/WeatherClosuresDelays>.

Contact information used to notify families of closures or delays is pulled directly from Family Access. Please ensure your cell phone number and email are up to date in Skyward.

Is my Program Canceled or Delayed?

Where to Access Bus Route Information for Enrolled Students:

Visit the ISD website: www.isd411.org. Bus route information can be found under "Programs and Services," or by clicking on the search magnifying glass and clicking the "Bus" button. Enrolled families can log in (following the directions provided on the webpage) and find their student's bus route, stop location, stop time and inclement weather route information. When reviewing your student's bus information, please note the route number for your student, not the bus number. Throughout the school year the bus number may change, however the route number will not change without prior notification.

What Happens If...?

- **My Student Gets On the Wrong Bus:** Contact Transportation at 425-837-6329 with the student's name and correct bus route. Dispatch will coordinate with the drivers to find what route the student is on.
- **My Student Gets Off at the Wrong Stop/Misses the Bus:** Contact Transportation at 425-837-6329 with the student's name and correct bus route. Dispatch will coordinate with the driver.
- **A Bus Breaks Down/Is In An Accident:** Safe transportation is our top priority. A replacement bus will be on the scene as soon as possible, and schools and parents will be notified regarding tardiness.
- **Kindergarten, ECE, ECEAP Only - No Parent or Guardian is Present at Drop-off:** Transportation will call the parent on file. If no answer, Dispatch will call the school. If the school can accept the student they will be brought back to campus. If not, the student will be brought back to Transportation.

When School Schedules Change

School closures and delays are usually announced very early in the morning. If you anticipate emergency conditions, check for an announcement on the ISD website, Facebook, Twitter or local TV station. To receive closure information straight from the District:

- Make sure you are receiving the **District Bulletin** (families are automatically signed up for this upon registering their student with the email provided during registration).
 - To add additional emails to the district bulletin visit our website at <https://www.isd411.org/about-us/announcements/sign-up>. Weather delay notifications *will not be sent via individual school bulletins*.
- Check the ISD home page, www.isd411.org, or your school's website.
- Subscribe to receive weather and closure delay alerts from the Transportation Department at www.FlashAlert.net.
- Check the recorded messages at (425) 837-7000 (Administration).

Please Note: If your student is on an inclement weather route in the AM, they will be on the same route in the PM.
