## 2021–2022

Latin School of Chicago, founded in 1888, is an independent, coeducational, college preparatory school for students in junior kindergarten through grade twelve. The school is an urban campus located on the near-North Side of Chicago adjacent to the 1,212-acre Lincoln Park. The upper school is located on the southeast corner of Clark Street and North Avenue. Chicago's rich cultural and intellectual resources are integrated throughout Latin's curriculum, giving faculty and students numerous opportunities to take advantage of the school's urban location.

### Student Body

Latin enrolls a diverse community of more than 1,190 students from 75 Chicago neighborhoods and 12 surrounding suburbs. Our students are ambitious and talented; they think critically and are engaged in their learning. Latin's upper school currently enrolls 503 students—38% of whom consider themselves students of color—who come from different ethnic, cultural and socio-economic backgrounds and are nurtured in an environment that embraces their diversity. Latin awards more than \$4.5 million annually in financial assistance to families with demonstrated need but provides no merit scholarships.

### Faculty

Approximately 100 dedicated members comprise the Latin middle and upper school faculty. Our student/faculty ratio is 9:1, and 87 percent of our classroom teachers have earned master's degrees or higher.

### Activities

Students participate in more than 20 different competitive varsity and junior varsity sports teams and over 50 different clubs, organizations and affinity groups. Several theatrical performances are staged throughout the year, and our students enter a variety of local and national arts and academic competitions. Latin hosts a championship Scholastic Bowl team and a variety of nationally recognized publications and service organizations.

### Service Learning

Latin students complete 30 hours of direct service with an at-need community before their junior year, though most students continue to engage meaningfully with their communities in myriad ways throughout their high school experience. Through Latin's Uptown Partnership, our students connect with a variety of agencies and organizations in an urban neighborhood and embed service into their curricular and Project Week experiences. (See "Curricular Highlights") Latin School of Chicago believes in sustained community engagement that is meaningful, immersive and reciprocal.

### Accreditation and Affiliation

A member of College Board and the National Association of College Admission Counselors, Latin complies with the CEPP of NACAC as well as other professional ethical guidelines. Latin School is also a founding member of the Association of College Counselors in Independent Schools. Latin is accredited by the Illinois State Board of Education, the Independent School Association of the Central States and is a member in good standing of the National Association of Independent Schools.

At Latin 100 percent of students are admitted to and choose to attend 4-year colleges and universities. Several students each year choose to defer enrollment to explore non-academic opportunities.

## Our Vision

Our vision for educational excellence is to reinforce the value of an exemplary liberal arts education that makes learning inquiry-based, personal and inclusive. Our approach expands each Latin Learner's capacity for purposeful learning—whether in our school, our city or our world.

## COVID Statement:

Latin ceased on-campus instruction in March of 2020, but courses continued remotely for the remainder of the spring semester. The 2020-2021 school year was at times remote, at times hybrid and at times in person. Beginning in Fall 2021, we were completely in person.

# Curricular Highlights

## Grading Policy

Latin School does not rank its students nor does it provide a cumulative GPA. At the conclusion of each school year, internal non-college GPAs are calculated for the purpose of faculty-selected honors societies and awards. In this calculation, all AP and honors courses are weighted more than college preparatory classes.

## Honors

Latin is a member of the Cum Laude Society (students are eligible at the end of eleventh and twelfth grade); students may also be selected to the school's unique Erasmus Society beginning their sophomore year, which rewards intellectual curiosity and a love of learning beyond a concern for achieving high grades.

The majority of discipline-specific awards are granted at the end of the senior year.

**\*NOTE:** Latin students are generally limited to no more than three AP/honors courses in a given school year. Students must petition for approval to exceed this limit.

<b>LANGUAGES</b> Latin School follows a proficiency-based language model. Course titles may appear more than once, which reflects a progression in learning and not a repeated class. Particular level bands or skill levels may require a varying amount of time, exposure or both. (See <a href="#">ACTFL Proficiency Guidelines Pyramid</a> )	Proficiency-based programs in French, Latin, Mandarin and Spanish are offered and all students must successfully complete a minimum of three consecutive years of a language. The classroom experience is grounded in the three modes of communication (interpersonal, interpretive and presentational) for modern languages. French, Mandarin and Spanish classes are conducted in the target language and students use their skills in a variety of real-life situations. Through the Latin curriculum students develop reading proficiency. All languages offer opportunities abroad.	<b>MANDARIN</b> Hon. Mandarin: Inter. Mid. Hon. Mandarin: Inter. Many of these classes are offered at multiple skill levels, including company-level execution.			

### Also Required:

- Physical Education – two credits, one of which must be a half credit of wellness in the in ninth grade. Team athletes are exempt from PE during the course of their sports seasons.
- Project Week – successful completion of a project required each year.
- Service Learning – 30 hours during freshman and sophomore years (10 hours freshman year, 20 hours sophomore year)

### Project Week

During March, all upper school students participate in hands-on learning experiences around the globe, throughout the U.S. and in Chicago. Students are required to participate each year and expenses are subsidized for those who qualify.

*Project weeks in 2020 and 2021 were canceled due to COVID; 2022 will include domestic and local project weeks only.*

### Additional Opportunities:

#### Independent Study Projects

Students can work independently with a teacher to advance their interest and study in a variety of disciplines. These courses do not substitute for required classes.

#### Interdisciplinary Courses

Neuropsychology and Dance can count as either Science/History or Performing Arts/PE, respectively.

#### Teaching Practica

In 2019, Latin unveiled an exciting new program. Students must submit proposals and are selected by the faculty to enroll in an individual teaching practicum. Selected students are paired with a mentor teacher in a subject they have previously mastered and are expected to assist faculty with developing lesson plans, delivering appropriate content or serving as a mentor to learners in the class. Seniors attend class on a regular basis and serve as faculty assistants; they are not graded, but are awarded academic credit for their work and time.

#### Senior Projects

This optional program encourages seniors to explore interests in and out of the classroom for several weeks at the end of the school year. At their culmination, all senior projects are publicly presented.

#### Global Online Academy (GOA)

Latin is a member of the Global Online Academy, a consortium of the world's leading independent schools whose mission is to translate into online classrooms the intellectually rigorous programs and excellent teaching that are hallmarks of its member schools. Courses and descriptions can be found at: [globalonlineacademy.org](http://globalonlineacademy.org). "GOA" classes will have this designation on their transcripts and an accompanying profile will be sent to colleges.
