Re: Cooperative Trash Bags WFL 2020-62 Bid

Due to significant changes in market conditions related to the COVID-19 virus, Interboro Packaging, sent in a request for consideration of a price adjustment for the items awarded under Section A of the WFL 2020-62 Cooperative Trash Bag Bid. The information provided by the vendor was shared with the Bid Committee, who after reviewing has opted to cancel Section A effective today.

Going forward, Participants will need to utilize Section B of the bid until the bid expiration on March 31, 2022 or purchase from another contract.
