### **ARRIVAL AT SCHOOL**

The building opens for student to enter at 8:45 a.m. School begins at 8:50 a.m. To ensure safety, students are not allowed in the building before school hours as this time is used for teacher to prepare for the day. On good weather days' children will have to wait on the west side of the school and will enter through their respective galaxy door. On stormy, or very cold days', children will be invited indoors.

### **ATTENDANCE**

Regular attendance is important to academic success. Children who are well should be in school. Those who are sick belong at home. When students are at school, it is assumed that they are well enough to participate in outdoor recess and physical activity, unless you provide a written note. Please do not schedule outings, vacations, or lessons during school time. **A student is considered chronically absent is he/she misses 6 or more days of school per term.**

### **ATTENDANCE LETTERS**

Absentee letters will be sent home for those who have 10 absences and/or tardies per term. You should always be in contact with the teacher to ensure regular attendance.

### **ATTENDANCE AWARDS**

Those students who have demonstrated exceptional attendance during the period of a term will have their names posted on our schools' honor roll (glass case by the office). Their names will also be posted in our school newsletter. If they have zero absences, tardies, or early checkouts for the school year, they will receive a certificate of recognition and a reward.

## BAD WEATHER – BEFORE SCHOOL

- Extra duty personnel will resume supervision of indoor areas beginning at 8:30 a.m.
- On indoor days, the custodian will unlock perimeter doors to allow student to enter the building beginning at 8:30 a.m.
- Portable classrooms will meet in the Starburst Galaxy before school and the STARBURST galaxy during school.

### EXPECTATIONS:

- Walkways and doorways are to be always cleared.
- Students are to enter through the galaxy doors when possible.
- Students may sit and read or talk quietly, finish homework, draw, etc...
- No basketball, running, jumping, races, etc. during this time.
- All students are required to wear a mask while on school property.

## BEHAVIOR PLAN - Positive

At Endeavour Elementary we try to encourage and celebrate the positive behavior of our students! We believe that elementary school is where kids really start to learn the importance of being a socially responsible citizen in a community setting. There are several school wide programs to help support their good choices and behaviors that demonstrate being a respectful student.

**Student Nominations** – The Endeavour Out of this World certificates are a way to recognize positive individual student behaviors. Each faculty member will select at least one student per week who shows exemplary behaviors academically or socially.

**Lunch with the Principal:** Each teacher will have the opportunity to send one of their students during the year to a lunch with administration. Teachers will decide which students will participate but should base their decision on students who demonstrate expected behaviors and good conduct, either academically or socially.

**Student Council:** The students who participate on student council were selected the previous school year by a group of adults at the school, based on student applications, social and academic behavior, and teacher recommendations. These 6<sup>th</sup> grade students participate in many activities throughout the year designed to increase their abilities as leaders, as well as to set positive behavior examples to other students.

**Character Education:** In addition to the character education opportunities provided by classroom teachers daily; bi-monthly the school counselor will visit classrooms with a “life skill” lesson. She will also meet with students in classrooms, small groups, and individual counseling sessions. Her office is in the south end of outer space.

## BIRTHDAY PARTIES

Birthday parties/ treats are a disruption to the classroom curriculum and are not allowed. Passing out birthday treats takes valuable time from classroom instruction as well as puts pressure on other students to bring treats. Additionally, handing out birthday invitations to friends at school is prohibited. Please make arrangements to pass out invitations outside of school hours.

## BIRTHDAY TABLE

To celebrate a child's special occasion, a "Birthday Table" will be provided by our PTA at lunchtime for grades 1-6 one day for each month.

## BREAKFAST

Breakfast is served every school day. We begin serving at 8:30 a.m. and finish by 8:45 a.m., so as not to infringe on class instruction time.

## BUILDING SECURITY

Endeavour Elementary ensures the safety of all students by locking perimeter doors at 8:50 a.m. each day. In the morning, please leave your child outside at their Galaxy doors to enter the building. If your child is late, please bring your child to the front office to check in.

## **BUS (TRANSPORTATION DEPARTMENT)**

Please check your child's my.DSD account for the most current bus stop information. You can also visit the Davis District Transportation website for additional information: <https://www.davis.k12.ut.us/departments/transportation>

## **CALENDAR – District**

<https://www.davis.k12.ut.us/parents-family/school-year-calendars>

## **CALENDAR – School**

A school calendar is located on our school's web page. This calendar is updated by administration regularly. Please check this regularly for updates.

## **CELL PHONE POLICY**

Students may possess and use electronic devices at school subject to the following:

1. Students may carry or possess electronic devices at school and school-sponsored activities.
2. Use of electronic devices during the school day, including pass-time between classes, recesses, and lunchtime is prohibited.
3. They must be completely powered down, turned off and kept in a student backpack, or turned in to the teacher.
4. Students may use electronic devices before school begins, and after the final bell of the school day, so long as they do not create a distraction or disruption.
5. Use of electronic devices on school buses is at the discretion of the bus driver. Distracting behavior that creates an unsafe environment will not be tolerated.

If a student violates this policy, his/her electronic device may be confiscated. When an employee confiscates an electronic device under this policy, he/she shall take reasonable measures to label and secure the device and turn the device over to a school administrator as soon as the employee's duties permit.

The electronic device will be released/returned to the student's parent or guardian after the student has complied with any other disciplinary consequence that is imposed.

- 1st offense – The device is returned to the student after school with a warning from the teacher.
- 2nd offense – The device should be brought to the office and can only be picked up by the parent. An administrator will make the parent notification.
- 3rd offense – The student may no longer bring an electronic device to school. The device should be brought to the office and can only be picked up by the parent. An administrator will make the parent notification.

## **CHECKING OUT STUDENTS**

Checking out early is disruptive to the learning environment. Teachers teach bell-to-bell. Missing this critical time often leads to confusion and frustration for the student. When a student does leave during the school day, they must do so through the office. The parent will need to show a photo ID and be listed on the child's information sheet. Parents are not to go to a classroom or the playground to pick up their child. Teachers have been informed to send you back to the office to follow procedures.

## **CHECKING IN STUDENTS**

Check-in at the office is required for all students who enter the school after the final bell at 8:50 a.m.

## **CHILD FIND OBLIGATION**

Davis School District is responsible for Child Find identification and evaluation for all students suspected of having a disability residing in Davis County. This includes children birth through 21 years of age who are in public schools, private schools, are being home schooled or are kindergarten eligible, but not enrolled. Early identification and intervention is essential to help ensure school success.

If a child is having significant difficulty with vision, hearing, speech, behavior, is experiencing slow development typical for his/her age, physical impairments, or learning difficulty, he/she may be a child with a disability. If there is child attending your school/program whom you suspect may have a disability, please contact one of the following so we can initiate the process for referral and assessment.

Children Birth to Preschool	801-402-5413
School age, K-12	Principal at local school or Special Education Department 801-402-5169

## CLOSED CAMPUS

We are a Closed Campus, which means students are not to leave the school grounds during the school day without clearance from the office and guardian permission.

## COMMUNICATION FOLDERS

Many teachers will send communication folders home on a weekly basis. Folders are sent home each MONDAY (based on each individual teacher). School-wide or PTA information will usually be sent home on MONDAYS.

## COMMUNICATION

Communication is one of the most important tools we use in our school. We welcome and foster a cohesive team approach to meeting the individual needs of your child(ren). Please don't hesitate to contact a teacher at any time should you have a concern or wish to meet with them in person. Teachers will send guardians emails, calendars, and/or classroom newsletters. Communication folders should be sent each Monday.

## CROSSWALK SAFETY

We ask that you respect all crosswalk safety procedures. Take some time to teach your children the proper use of a crosswalk. Some things to consider:

<https://www.davis.k12.ut.us/district/administration/policy-manual>

## DISCIPLINE PLAN - SCHOOL

School Rules

There are 3 basic school rules all students should know and follow at Endeavour:

- **Be SAFE**

## **FIGHTING/BULLYING/HARASSMENT**

**Davis District Policy and Procedures for Student Conduct and Discipline:**

<https://www.davis.k12.ut.us/district/administration/policy-manual/section-5-student-services>

### **Philosophy –**

Endeavour Elementary has the responsibility to provide a quality-learning environment to insure equal educational opportunity for all students. This environment is partially determined by the conduct of the students. Fighting/bullying and harassment are some of the major detractors of a safe and effective learning environment. For this reason, and to also provide for the physical and emotional wellbeing of our students, fighting, bullying and harassment behaviors are never allowed and will result in consequences as outlined in our school's discipline system.

### **Discipline Plan –**

Our School Level Discipline Plan is built on the following principles:

- Every person deserves to be respected.
- Every person deserves to feel safe and to be free from danger.
- Students attend school to learn academics, behavior skills and social skills.
- Learning is enhanced in a physically and emotionally safe environment.

### **Fighting -**

Overt aggression such as physical fighting, punching, shoving, kicking and biting is inappropriate. It is NEVER "OK" to settle a conflict or problem through fighting. Additionally, retaliatory fighting is never appropriate. If a student feels threatened, they should "get away" from the situation and immediately seek an adult for assistance. It is never "OK" for a student to "punish" another student.

### Consequences

**1st Offense –** The administration will counsel with students, contact parents and a consequence will be determined, which will typically include the suspension of recess privileges for a certain number of days. Egregious first offenders will be suspended from school until a meeting with parents can take place.

**2nd Offense** - If the student is involved in additional school rule violations, including fighting, the student will immediately be suspended from school until the parents, teacher and administration can meet to develop a behavior plan.

**3 or more offenses** – Discipline is progressive, therefore continued offenses will result in additional consequences such as additional days of suspension and/or a referral to District Case Management and local police.

### **Bullying and Harassment**

Verbal aggression such as name-calling or verbal threats, physical or verbal intimidation, retaliatory aggression including rumor spreading, intimidation, enlisting friends to hurt another child or engaging in social isolation of other students are also considered inappropriate. Harassment specifically includes the repeated bullying of other students.

#### Consequences:

Teachers will meet with students on an individual basis to help victims of bullying and harassment. Teachers will communicate with parents. Teachers will suspend recess privileges of those students who bully or harass other students. Continued issues of bullying and harassment will be referred to the administration. See “Fighting Consequences”.

#### **Retaliation:**

Retaliation (also known as revenge) is a harmful action against a person or group as a response to a real or perceived grievance and is prohibited. Students are not always in control of their situation, but they are always in control of their actions. We expect ALL students to act appropriately, even in undesirable situations. If someone is being bullied or harassed, they should follow the school’s bullying policy and walk away. If the harassment continues, they should report the harassment to a school employee such as their teacher, the ground/cafeteria duty, or the administration. Consequences will be applied to all students who hurt, harass or bully others. Although many aspects of retaliation resemble the concept of justice, retaliation or revenge is never appropriate in a school setting. Negative consequences will follow those students who choose negative behavior. The fact that a student chooses negative behavior by harassing or bullying another student does not give the victim the right to retaliate by hurting back. **Retaliation is not considered Self-Defense.**

#### **Other Level Three Offenses -**

Other offenses, such as ethnic slurs, obscene gestures, inappropriate touching, damaging property, direct, willful and sustained disobedience of school rules, disrespect for authority, stealing, profanity, excessive truancy, sexual harassment, drugs, weapons, and leaving school without permission is inappropriate, and may result in the following consequences.

#### Consequences

**1st Offense** – The administration will counsel with students, contact parents and a consequence will be determined, which will typically include the suspension of recess privileges for a certain number of days. Egregious first offenders will be suspended from school until a meeting with parents can take place.

**2nd Offense** - If the student is involved in additional school rule violations, including fighting, the student will immediately be suspended from school until the parents, teacher and administration can meet to develop a behavior plan.

**3 or more offenses** – Discipline is progressive, therefore continued offenses will result in additional consequences such as additional days of suspension and/or a referral to District Case Management and local police.

All students will be given the opportunity to know and understand school rules and expectations. Our discipline procedures impact those students who fail to comply with these school rules. Most school discipline will be handled in the classroom. Serious disruptive behavior will result in appropriate administrative actions, including suspension and/or referral to Student Services for further action. We ask for parent support in reducing the amount of discipline at the school.

## **FIELD TRIPS**

Field trips are a great way to reinforce and reteach concepts from the core curriculum. All grades may have the opportunity of going on 2 field trips each year, provided by funds from our fabulous PTA. These cover the cost of transportation only.

Admission costs must be collected through **dsdgives** for each grade level. Parents must be notified and must sign permission slips for their child to participate in any field trip.

## GRADES

A SMART report will be sent home at the end of each term. In addition, a midterm report may be sent midterm as per teacher need. Teachers may send grade reports home as often as they would like.

## GRADES, GRADING PERIODS, MIDTERM PROGRESS

Grades, grading periods, and mid-term progress reports indicate student progress for that period and should be treated with great importance. Term grades are final and are placed on the permanent record card of each student. It is also important to note that midterm notices are not grades, but progress reports. Whenever questions arise on grades, students and parents are to contact the teacher immediately. The office personnel do not have the teacher's records, and therefore cannot indicate reasons for student grades. When questions do arise, or whenever a progress report is desired, teachers are available to meet with parents to discuss individual concerns. Teachers are encouraged to make every effort to contact parents when concerns with a student's academic and/or citizenship grade occur. Parents are also encouraged to make every effort to monitor their student's education. Parents are responsible to check with teachers if they have questions on grades and/or behavior.

## HALLWAY & GALAXY BEHAVIOR

**BEFORE SCHOOL** – Students should not be in the building before school, or during recess times. Before school, teachers and administration will monitor the main hallway. Teachers have the responsibility of monitoring their galaxy.

**DURING THE DAY** – Students are to adhere to the "STEP" procedure:

### STEP

- Straight Line
- Turn voice off
- Everyone walks to the right
- Pride in our school

Teacher are to remain with class at all times. All staff and students are required to wear masks while on school property.

## HOMEWORK

Homework is an important way to reinforce and practice what is learned in school. Teachers should give meaningful homework assignments in accordance with the following time rule:

1st grade	10 minutes
2nd grade	20 minutes
3rd grade	30 minutes
4th grade	40 minutes
5th grade	50 minutes
6th grade	60 minutes

Homework for students with disabilities or special circumstances should be determined on an individual basis and should not be at a level above their capacity as to create frustration or undue stress for them or their parents.

## INDOOR RECESS

- With input from the assistant principal, support staff, teachers, school nurse, PTA, JSSC, school directors, and/or Risk Management, the principal considers indoor recess when the following conditions exist:

- Temp is under 20 including wind chill factor
- Wind, rain, freezing rain, snow, sleet, hail is occurring
- Yellow burn warning (involves students with respiratory or immune deficiency)
- Red burn warning (involves ALL students)
- During indoor recess, there will be supervision in each galaxy – NOT the playground
  - Teachers will work in their classrooms, while playground supervisors monitor and escort students to restrooms when needed.
  - Students must not be allowed to wander the school.
  - Teachers may personally take their student outside during inclement weather but must assume responsibility for their supervision and safety.
  - It is the discretion of the teacher to determine where students may reside during indoor recess: individual classroom or galaxy.
- All staff and students are required to wear masks during indoor recesses.

## KEYBOARDING

Elementary Keyboarding Benchmarks:

3rd Grade -- 15 wpm

4th Grade -- 20 wpm

5th Grade -- 25 wpm

6th Grade -- 30 wpm

## LATE START

For weather related late-start days, all parents will be contacted by the district call-out system and prompted with a specific message.

## LOST AND FOUND

Our school's lost and found is located on the coat racks by the cafeteria. When the lost and found contains a lot of items, our custodians will place items out on a kiva in the hallway during Parent-Teacher conferences for parents to go through. After that, items will be donated to Desert Industries.

## LUNCH ACCOUNTS

The purpose of these procedures is to establish consistent meal charging and collection procedures districtwide. The district's goals are:

- To maintain a positive experience for students during meal service.
- To treat all students with dignity and respect.
- To establish practices which are age appropriate.
- To minimize meal charges and encourage parents to pre-pay for all meals.
- To promote parents' responsibility for meal payment and self-responsibility of the student.

**Meal Accounts:** Payment in advance for meals enables the district to achieve these goals. Personal checks and cash deposits are accepted daily at the schools. For convenience, deposits may also be made by credit/debit card through a parent's myDSD account.

**Emergency Meal Service:** The Board of Education acknowledges that on occasion, students may forget or lose meal money. In such cases, the student's statement of need shall be accepted, and a meal will be made available. School lunch

employees shall not, withhold a meal, provide an alternate meal, pull a student from the line, ask the student to call his parent or friend, stamp the student's hand, or otherwise call attention to the student who has forgotten or lost meal money.

A school lunch employee may remind a student attending a secondary school that his account is in the negative. The cost of the unpaid meal will be charged to the student's account.

**Evaluate Individual Circumstances:** When a student repeatedly comes to school without a meal from home or money to participate in the school meal program, school administrators should consider if circumstances in the home warrant contacting social workers or Child Protective Services. Frequent requests may indicate the family's need for free- or reduced-price meals. School administrators may work with the family to apply for school meal benefits. All meals eaten before a free- or reduced-price meal application is processed and approved are the responsibility of the parent and must be paid for.

**Repayment for Meal Charges and Bad Checks:** Federal guidelines prohibit the Food and Nutrition operation from writing off bad debts because of charged meals. Every effort will be made to collect for unpaid meals. Unpaid meal charges may result in the following:

- An automated telephone call to the parent.
- An email sent to the parent.
- A verbal reminder to student attending a secondary school.
- School lunch manager contact parents by phone or notes in teacher mailboxes.
- In case of significant delinquent payments, a letter will be sent home from the Food and Nutrition Department.

Parents are responsible to pay all their student's meal charges. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Uncollected meal charges shall be handled the same as other school debt.

## LUNCHTIME

Each grade is assigned a specific time to go to lunch. Teachers take students to the lunchroom and our lunchroom supervisor dismisses students to recess. If a student needs more time to eat, they are welcome to continue eating and then proceed to recess when they are finished. It is expected that all trash is disposed of in provided trash bins and no food should be taken to recess. We recommend that students with home lunch send lunches in a paper bag that can be disposed of at the completion of each lunch period. Students should not share food or drinks, at any time, in the lunchroom for safety reasons.

If a child needs prescription medication, contact the school nurse for required documentation.

### ***COMPULSORY EDUCATION REQUIREMENT***

A parent having custody over a school-age minor is required under State law to enroll and send a school-age minor to a public or established private school during the school year in the district in which the minor resides. The process of education requires continuity of instruction, class participation and study. Parents are encouraged to work with the school in promoting regular attendance of all students.

### ***FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT***

---

#### **Student Education Records**

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. FERPA gives parents certain rights with respect to their student's education records. These rights are:

**Inspect and review** all their student's education records maintained by the school within 45 days of a request for access.

**Request** that a school correct education records believed to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents who wish to ask the school to amend a record should write the principal or appropriate school official, clearly identify the part of the record they want changed and specify why it should be changes. If the school decides not to amend the record as requested by the parent, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Provide consent before the school discloses personally identifiable information (PPI) from a student's record, except to the extent that FERPA authorizes disclosure without consent. Such exceptions include, but are not limited to:

- [a] school officials with legitimate educational interests;

A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving as a volunteer; a person serving on the District School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist), or to whom the District has outsourced institutional services or functions. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

#### **Student Directory Information**

Directory Information, which is information that is generally not considered harmful or an invasion of privacy if released, may be released at the discretion of school officials, without consent, for appropriate reasons such as, school publications,

newspaper articles, and to outside education related organizations. In addition, two federal laws require secondary schools to provide military recruiters, upon request, the names, addresses, and telephone numbers of their students.

The Davis School District has designated the following information as directory information:

1) student's name, address, and telephone number; 2) student's date and place of birth; 3) major field of study; 4) student's District email address; 5) parent email address; 6) participation in officially recognized activities and sports; 7) weight and height of members of athletic teams; 8) degrees, honors, and awards received; 9) photograph; 10) most recent educational institution attended by the student.

If you, as a parent, do not want [name of your school] to disclose directory information from your child's education records without your prior written consent, you must notify the school in writing annually.

Parents who believe their rights have been violated may contact the school's administration or file a complaint with:

Family Policy Compliance Office, U.S. Department of Education

## SCHOOL DONATION NOTICE

The Utah Constitution prohibits the charging of fees in elementary schools. That means that if your child is in kindergarten through grade six, you cannot be charged for textbooks, classroom equipment or supplies, musical instruments, field trips, assemblies, snacks (other than food provided through the School Lunch Program), or for anything else that takes place or is used during the regular school day. If you wish to purchase school pictures, yearbooks, or similar items through the school, those costs are not fees and will not be waived. Also, if your student loses or damages school property, the costs of replacement or repair are not fees and need not be waived. Federal law permits schools to charge for food or milk provided as part of the School Lunch Program. If you cannot afford to pay, you may be eligible for free or reduced-price meals or milk. Your school will give you information about applying for free or reduced-price meals and milk. All information which you provide in your application will be kept confidential. Fees may only be charged for programs offered before or after school, or during school vacations. If your child is eligible based on income verification or receives SSI payments (QUALIFIED CHILD WITH DISABILITIES), or if you are receiving TANF (currently qualified for financial assistance or food stamps) or if the child was placed in your home by the government as a foster child, the school must waive the fees. If you are having a financial emergency caused by job loss, major illness, or other substantial loss of income beyond your control, you might be eligible for a waiver even if other eligibility criteria are not met. School funds are limited, and your school may need help. As a result, the school may ask you for tax deductible donations of school supplies, equipment, or money, but the school cannot require donations or tell anyone else the names of those who have or have not made donations (except that the school may honor those who make major donations). No child may be penalized for not donating. For example, if donations are used to pay for a field trip, every child must be allowed to go on the trip even though some may not have donated.

If you have questions, first talk to your school or school district representative listed below. If you still need help, contact one of the other agencies listed:

School telephone no.: 801-402-0400 Ask for: principal or assistant principal.
