

Student Success Plan Goals

1. Literacy Goal

By the end of the 2021-2022 school year, the number of proficient students in literacy will increase by 10% from the beginning of the year to the end of the year as measured by the Utah Aspire Plus Assessment through the use of explicit, discipline-specific literacy strategies.

2. Numeracy Goal

By the end of the 2021-2022 school year, the number of proficient students in mathematics will increase by 10% from the beginning of the year to the end of the year as measured by the Utah Aspire Plus Assessment through the use of targeted student supports.

3. Opportunity Gap Goal

By the end of the 2021-2022 school year, 85% of students with disabilities reading below grade level will increase their reading level by one and a half grade levels from the beginning of the year to the end of the year as measured by the HMH Reading Inventory Lexile level through the use of discipline-specific reading strategies observed during colleague observations.

4. Culture Climate Goal

By the end of the 2021-2022 school year, 85% of student responses on the Student Subjective Wellbeing Questionnaire indicators will endorse “often” or “almost always” for how often they experience a sense of well-being at school.
